Baker-Davis,2001-09 I have written this book with the hope of causing those that believe in the falseness of religion to understand the difference between religion life and spiritually Man made religion has no power to change our minds or our thoughts True spiritually is of the life of the resurrection which is in our words All of our problems are caused by religion as there is no knowledge of a living God in religion Therefore we accept death as being normal and this causes us to see God as being a God of both life and death or a God of both light and darkness etc As you well know the scripture says you cannot believe in both God and man as a double minded person cannot receive anything from God which is life To make a long story short this book is about the life of the resurrection and this war on terrorism As you well know this war is taking away your freedom because the government cannot protect you by the law Your protection from death is in the words that you speak as death and life is in the power of your tongue The life of God is in words of the day and death is in words of the night so you need to read this book **Basic Geriatric Nursing - E-Book** Gloria Hoffman Wold,2013-12-27 The bestselling LPN LVN geriatric nursing textbook Basic Geriatric Nursing 5th Edition covers age appropriate nursing interventions in a variety of health care settings It includes the theories and concepts of aging covers expected physiologic and psychosocial changes and highlights delegation coordinated care end of life care patient teaching quality of life safety and home care This edition is updated with the latest issues and trends in geriatric nursing including changes to the health care system and demographics Part of the popular LPN Threads series Gloria Hoffman Wold s text provides a clear and compassionate introduction to geriatric care Complete coverage of key topics includes baby boomers and the impact of their aging on the health care system therapeutic communication cultural considerations spiritual influences evidence based practice in geriatric nursing and elder abuse restraints and ethical and legal issues in end of life care UNIQUE Delegation leadership and management content is integrated throughout Nursing Process sections provide a framework for the discussion of the nursing care of the elderly patient as related to specific disorders UNIQUE A FREE Study Guide in the back of the book reinforces understanding with scenario based clinical activities and practice questions UNIQUE Nursing interventions are numbered and grouped according to health care setting e g acute care extended care home care in a patient centered approach emphasizing the unique needs of the older adult UNIQUE Nursing Care Plans with critical thinking questions help in understanding how a care plan is developed how to evaluate care of a patient and how to apply your knowledge to clinical scenarios UNIQUE Critical Thinking boxes help you to assimilate and synthesize information Clinical Situation boxes present patient scenarios with lessons for appropriate nursing care and patient sensitivity Coordinated Care boxes address such topics as restraints elder abuse and end of life care as related to responsibilities of
