

The background of the book cover is a detailed black and white illustration. It depicts several ancient Phoenician sailing ships, known as biremes, with multiple rows of oars and square sails. The ships are shown on a choppy sea. Scattered around the ships are various sea creatures, including fish of different sizes, a squid or cuttlefish, and a nautilus. The style is reminiscent of ancient Egyptian or Mesopotamian art, with clear lines and a focus on maritime themes.
