moments of darkness that you desperately seek a glimmer of hope or inspiration from someone But it s not easy to find the correct person who can be your mentor Besides not all problems in life can be easily shared with someone So what do you do Before I answer let me tell you a story Once a bankrupt businessman was on his way to commit suicide He decided to go to some lonely place to snuff out his life and end his financial misery On the way he accidentally read an inspirational quote on a billboard This gave him a sudden dose of courage and he stopped his fatal adventure immediately He canceled his plan of committing suicide and went home reenergized Then he rebooted his life and grew his business to greater heights Now what does this story teach you Here is the answer Often a short piercing sentence a stinging insult a famous quote or a chance remark by someone can have a terrific impact on you than a long lecture and maybe completely change your life from that moment onwards This inspirational effect is very similar to how a small pin can puncture a high pressure balloon or a car tire Most famous quotes are also short piercing sentences of wisdom that can puncture your high stress and change your life in an instant They have the remarkable ability to uplift spirits instill courage solve problems and guide you through the darkest of times For example a random motivational quote saved the businessman s life by giving him a burst of courage to continue with life no matter what The literary world is filled with thousands of amazing quotes on topics like Personal Development Stress Reduction Mental Health Management Leadership Technology Inspiration Motivation Writing Publishing Spirituality Humor Satire etc by famous people However merely reading a great quote is not enough It is just a small appetizer To have a full meal you need to extract insights and wisdom from those great quotes This book series shows how you can extract the essence and apply it to your life This insightful series is your daily companion offering a year s worth of thought provoking and uplifting affirmations to guide you through each day of the month From Jumpstarting Your January with a renewed sense of purpose to ending with Delight in December these books offer a daily dose of wisdom and encouragement With practical tips and thought provoking insights these unique books will surely become your trusted companions for life     56 Keys for Future Leaders Q.M INSPIRING ,2018-11-01 A book which strives to help students of all ages become self sufficient young leaders who pride themselves in their education 56 Keys for Future Leaders answers the four basic questions what how why and when Every Key broken down in a way to make it understandable to people at all levels of society Actions habits and principles which can help young people to realize their true potential Short and straight to the point Giving insight into the actions and habits of winners Written for high school students who strive to achieve great things with their lives     **Do You See Your Crown?** Donnette Burrows,2022-04-08 When our own fears paralyze and cause us to live a life less than we deserve there comes a time when you start to realize that this isn t the life you want to live and you ll decide to make that change Our own thoughts can sometimes tell us we are not worthy but we all deserve a chance to overcome fear and become connected with our true self This is a motivational and inspiring self help book that speaks about overcoming fears and recognizing the power that we all have within We are all worthy of self discovery and personal growth that will take us to

another level in our journey living an authentic life that we can be pleased with by making small steps toward living a full life Living in a social media age where we compare ourselves to others tend to spread fear that sends unrealistic messages that tell us we are not good enough but we have to find truth within ourselves These words of encouragement speak to every woman to let go of those self defeating thoughts and foster feelings of self acceptance self love and self worth **Walking Tall In Tough Times** GREAT IGWE,2019-07-30 Out of nowhere the storms of life hit us without warning The loss of a loved one a broken relationship loss of a job and properties A terrible accident illness or the failure of a business This is tough challenges that people all over the world are being confronted with daily in their respective life We don t have the power to choose what happens to us neither can we as humans choose the nature and severity of the problems and challenges that confronts us every day But one thing we sure can do and has the power to control is the way we respond to these challenges and how we fight through it Life is like an ocean and every one of us are born sailors sailing through this ocean Everybody shall one day encounter a storm be it the wealthy the educated the poor the uneducated the single or married the sick or healthy The storms of life is not a respecter of race religion or country of birth but rather a respecter of courage boldness persistent firmness of purpose and positive attitude Walking tall in tough times is a book that will certainly arm and spur you to take tough decisions and actions necessary to bring about a change in your life It will also help you change your negative perceptions and response to the challenges you are going through and put you on a part to true success The principles and practical steps that are outlined in this book is not based on head knowledge but rather are founded on experiential knowledge and scriptural examples that will certainly leave transformed This book will undoubtedly stir you to leave your comfort zone to your rightful place of influence and power It will forge you to become uncomfortable with mediocrity and average existence Buckle up as I take you through this journey of self freedom and reawakening Happy read **Live Your Dreams** Les Brown,1994-07-01 Here is Les Brown s personal formula for success and happiness positively charged thoughts guidance examples plus an Action Planner to help you focus your thoughts on specific goals and achieve them all The answers are all here in this astonishing book with one simple powerful message We may not always be able to control what is put in our path but we can always control what we are and what we will become **Real Life Lessons for Teens** Randy Simmons,2005-04 Today s teens struggle What they need is practical advice biblical insight and real answers They need to learn from mature Christians who have faced many of the same challenges they are now facing In Real Life Lessons for Teens Randy Simmons shares 13 lessons he wishes he had learned when he as a teenagers lessons that are straight from the heart straight to the point and straight from the Bible **New York Court of Appeals.
