*Getting Played* Jody Miller, 2008-03-01 2010 Distinguished Contribution to Scholarship Book Award from the American Sociological Association Race Gender and Class Section 2008 Finalist The Society for the Study of Social Problems C Wright Mills Award Draws a vivid picture of the race and gender inequalities that harm young African American women in poor urban communities Much has been written about the challenges that face urban African American young men but less is said about the harsh realities for African American young women in disadvantaged communities Sexual harassment sexual assault dating violence and even gang rape are not uncommon experiences In *Getting Played* sociologist Jody Miller presents a compelling picture of this dire social problem and explores how inextricably and tragically linked violence is to their daily lives in poor urban neighborhoods Drawing from richly textured interviews with adolescent girls and boys Miller brings a keen eye to the troubling realities of a world infused with danger and gender based violence These girls are isolated ignored and often victimized by those considered family and friends Community institutions such as the police and schools that are meant to protect them often turn a blind eye leaving girls to fend for themselves Miller draws a vivid picture of the race and gender inequalities that harm these communities and how these result in deeply and dangerously engrained beliefs about gender that teach youths to see such violence rather than the result of broader social inequalities as deserved due to individual girls flawed characters i e she deserved it Through Miller's careful analysis of these engaging often unsettling stories *Getting Played* shows us not only how these young women are victimized but how despite vastly inadequate social support and opportunities they struggle to navigate this dangerous terrain

**The Oxford Handbook of Ethnicity, Crime, and Immigration** Sandra M. Bucerius, Michael H. Tonry, 2014 This title provides comprehensive analyses of current knowledge about the unwarranted disparities in dealings with the criminal justice system faced by some disadvantaged minority groups in all developed countries

**The Cultural Matrix** Orlando Patterson, 2015-02-09 The Cultural Matrix seeks to unravel an American paradox the socioeconomic crisis and social isolation of disadvantaged black youth on the one hand and their extraordinary integration and prominence in popular culture on the other This interdisciplinary work explains how a complex matrix of cultures influences black youth

**The Journal of African American History**, 2002 The Devil, the Lovers, & Me Kimberlee Auerbach, 2007 The author describes her survival of an abusive relationship her mother's mid life sexual proclivities and the interference of friends and her father during a promising new romance challenges that prompted her visit to an atypical tarot card reader

**New Books on Women, Gender and Feminism**, 2008

Explaining Sexual Violence During Civil War Dara Kay Cohen, 2010 **Feminist Collections**, 2008 *Hate Crimes* Barbara Perry, 2009 This book offers a comprehensive approach to understanding hate crime its causes consequences prevention and prosecution Hate crimes continue to be a pervasive problem in the United States The murder of Matthew Shepard the lynching of James Byrd the murderous rampage of Benjamin Smith and anti Muslim violence remind us that

incidence of deadly bigotry is not only a recurring chapter in U S history but also a part of our present day world Contrary to common belief hate mongers who commit crimes are rarely members of the Ku Klux Klan or a skinhead group In fact fewer than 5 percent of identifiable offenders are members of organized hate groups Yet rather than being an individual crime hate crime represents an assault against all members of stigmatized and marginalized communities To fully understand the phenomenon of hate crime and reduce its incidence it is necessary to clearly define the term itself to examine the victims and the offenders and to evaluate the consequences and harms of hate crimes This comprehensive five volume set carefully addresses the disturbing variety and incidence of hate crimes exposing their impacts on the broader realms of crime punishment individual communities and society The contributing authors and editors pay critical attention to cutting edge topics such as online hate crimes hate based music anti Latino hostilities Islamaphobia hate crimes in the War on Terror school based anti hate initiatives and more The final volume of Hate Crimes provides valuable food for thought on possible legislative educational social policy or community organizational responses to the varied forms of hate crime Clarifies the ongoing debate regarding what behaviors fall under the umbrella of hate crime and which classes of victims should be included Examines the often overlooked community effect consequences of hate crime Includes material that addresses hate motivated crime directed toward women and the homeless community Offers eye opening insights derived from an interview with a hate crime offender

**Holding Your Square** Christopher W. Mullins, 2013-01-11 Discussing the meanings of masculinity within the social networks of the streets of St Louis this book provides a description of life on the streets contextualizing criminal violence within this deviant subculture and with a specific focus on issues of gender

**Holding Your Square** Christopher W. Mullins, 2006 This book is about the meanings of masculinities within the the black underclass in an American city St Louis Missouri and how these shaped perceptions and enactments of violence Based on a large number of interviews with offenders the author provides a rich description of life on the streets contextualizing criminal violence within this deviant subculture and with a specific focus on issues of gender It establishes how street based gender identity motivated and guided men through violent encounters exploring how men s relationships with women and their families instigated violence One key issue addressed is why men resorted to violence in certain situations and not in others exploring the range of choices open to them and how these opportunities were interpreted
