Gertrude Tobys Friday Adventure Shari:

Gertrude and Toby's Friday Adventure Shari Tharp, 2015-12-21 Gertrude the goat and her best friend Toby the tortoise are adventurers. No sitting around on the boring farm for them. They love to explore and every Friday they sneak off the farm for some extra fun. One Friday Gertrude and Toby decide to visit the local candy store in town. They discover yummy goodies and treats but soon find that the treats are not free. Uh oh. The market owner grabs Toby. He demands money for the candy that Gertrude and Toby have taken by mistake. Gertrude must find a way to save her friend and get back home before Farmer Sam returns.

Gertrude and Toby Save the Gingerbread Man Shari Tharp, 2016-11-15 Farmer Sam and his son Ryan are taking their prize pig to the county fair. Gertrude and Toby decide they have plenty of time to sneak off the farm for an extra adventure. But Gertrude and Toby soon discover that a giant has captured their friend the Gingerbread Man. Gertrude and Toby come up with a plan to save him. But the giant who is sleeping nearby wakes up during their rescue. Gertrude and Toby Save the Gingerbread Man is an exciting adventure story for children who are transitioning from beginning readers to chapter books. This is the perfect book for the child who has been tasked with the usual 30 minutes per night reading homework. From the standpoint of reading progression, this title fills a specific niche that represents a gap in the children's book market: longer illustrated children's books that are more complex and challenging than typical picture books. Gertrude and Toby Save the Gingerbread Man incorporates traditional fairy tale characters that will be immediately recognizable to many young readers. These characters include Hansel and Gretel, a flying carpet, an evil witch, the giant, and the magic vine from Jack and the Beanstalk, and of course the Gingerbread Man. The presence of these fairy tale characters adds familiarity for young readers and keeps alive the old tales, e.g., those by the Brothers Grimm that we have all come to know and love. The first and third books in the series, Gertrude and Toby's Friday Adventure and Gertrude and Toby Meet the Wolf, follow the same approach of adapting fairy tale tropes using fairy tale characters in a contemporary setting. These modern stories have more complex plots and wording than those of standard picture books but without the daunting word count of typical beginning chapter books. We hope you love Gertrude and Toby and their series of adventure books as much as we do. Happy reading.

Gertrude and Toby Meet the Wolf Shari Tharp, 2017-01-07 Gertrude the goat and Toby the tortoise are going fishing at Trout Lake for their Friday adventure. While at the lake they see a little boy being dragged off by a hungry wolf. They follow the wolf and rescue the little boy, but the wolf doesn't give up. He goes after them determined to get his lunch back.
