Get What You Want A Fun Upbeat And Fresh Approach To Negotiating:

Get what You Want! Hal B. Becker, Jon Lief, Florence Mustric, 2005 Everyone's day is filled with negotiating. The obvious example lies in the context of business deals with the continuous barter and trade purchase and sale of products and services. The less recognized but more common sort is the ongoing negotiation between family friends and day to day dealings with other people. However, even though it is such a normal and frequent activity, the prospect of Negotiation can inspire feelings of fear and inadequacy. *Get What You Want* is a fun, fresh and upbeat approach to the thing we all do every day: a guide to negotiating for everyone from the homemaker to the seasoned business executive. **Hal Becker's Ultimate Sales Book**

Hal Becker, 2012-09-21 There are hundreds of books about sales, but how many of them have actually helped anyone become a better salesperson? Hal Becker's *Ultimate Sales Book* is a sales book and sales training course rolled into one, written by Xerox's former number one U.S. salesperson and one of America's top sales trainers. It contains a wealth of practical information that many seasoned salespeople have forgotten and which new salespeople need to master. It includes action steps to help you develop unique and proven selling methods, set goals, list prospects, and even discover your own ways to answer objections. Plus targeted quizzes at the end of each chapter to hone your skills. This is truly the one sales book every salesperson needs. **Can I Have 5 Minutes of Your Time?** Hal Becker, 2008-05-01 This national bestselling book on sales strategies and techniques is a fast read because Becker knows what he's talking about. *Business Week* *Can I Have 5 Minutes of Your Time* is one of the bestselling books on sales to come along in over twenty years. The ideas and concepts inside have been used by tens of thousands of people to increase their sales performance from the novice to the seasoned professional. Hal Becker understands that hard work, common sense, and close attention to customer needs are trademarks of a good salesman. His book echoes that same insight for those who want to achieve sales success. A great training manual for anyone involved in sales. Allbusiness.com
