York City Mark David Chapman had become fixated on murdering his former hero. He was convinced that Lennon had squandered his talent and betrayed his fans. In December 1980, Chapman boarded a flight from Hawaii to New York with a handgun stowed in his luggage. He was never going home again. A MURDER THAT STUNNED THE WORLD Enriched by exclusive interviews with Lennon's friends and associates including Paul McCartney, *The Last Days of John Lennon* is a true crime drama about two men who changed history. One whose indelible songs enliven our world to this day and the other who ended the music with five pulls of a trigger. _____ More praise for *The Last Days of John Lennon*. The dialogue is punchy cinematic; we get inside the mind of Patterson's villain, the delusional Chapman, through periodic chapters from his point of view as he works up the courage to pull the trigger on Lennon. GQ Pure Patterson: fast-paced, no frills. SUNDAY TIMES Thoroughly researched. READER'S DIGEST Conversations with John Lennon Sussan Evermore, Ronald Ritter, 2017-02-14 The name John Lennon immediately conjures up thoughts and images of the iconic sixties band The Beatles: the Let It Be rooftop concert, a pedestrian crossing at Abbey Road Studios, a white room, the song Imagine, and Yoko Ono. A whole generation was inspired by the words and music of the song Imagine, possibly the most iconic song from a generation that imagined there could be peace and goodwill between peoples and nations. It is also a song of possibilities for the future, and in one or two hundred years, humanity will still look back to acknowledge the man John Lennon, someone who inspired us to dream that all things are possible if we have the desire and intent to create our world. John, in his own words, was either going to be a street criminal or famous celebrity; it was a determination of will that took him out of the depressing streets of Liverpool to the heady life of The Beatles and finally to New York. I grew up with The Beatles but was never a fan of John Lennon, and Sussan, the host, knew even less about this iconic figure of the sixties and seventies but please join us as John Lennon talks through the host Sussan from beyond the grave. This is a channeling of spirit which connects the entity who has passed over from the physical world to come through the host. John gives great insight into the world of his son Julian and leaves him a message; he also speaks freely about Yoko, his ever-patient wife. He mentions a sinister side to his murder, going so far as to forward a reason. He speaks candidly about the changes he saw in his musical partner Paul McCartney. The book takes you on a journey, a journey to the other side of reality where all lives that have ever lived exist as an interactive recording which is able to be activated or switched on by the host. Please join us today as we speak with John Lennon. Ronald Ritter, Sussan Evermore **Come Together** Jon Wiener, 1990-12-01 Traces the evolution of John Lennon's political views, describes the extent of FBI investigations of Lennon, and describes his efforts to link rock music and radical politics.
