devotional material Desperate Hope Candi Pearson-Shelton,2010-02-01 As her younger brother battled for life in the ICU musician Candi Pearson Shelton and her family sat waiting and praying clinging to hope Rick Pearson died anyway at age 23 But in those tense ICU days and the painful months following Rick s death the family found a shared purpose and a new hope to see God glorified no matter what This remarkable book chronicles their journey offering a song of praise to One who not only revealed His glory but also granted a shifted perspective that changed nothing but somehow made all the difference Includes the story behind the author s song Glory Revealed **The Tormenting Factor** Ima Survivor,2011-04 This author s biography is an ongoing account of abuse rape and torment It is written with a provocative tool of undercurrents that substantiate how generational curses are formed The factual scenario of family disgruntling bears witness to the learned behavior that causes extreme anxiety and emotional torment This story is not about revenge or judgment It is simply a chronicle to give readers a comparative view of themselves and their families with imminent clarity Although the original purpose of this book was to share deep secrets with the author s children the crux of these secrets had already influenced too many circumstances and characteristics of her progeny Repeated family behavior had developed into curses that were passed from generation to generation If relationships are your enemy and you have somehow moved from one abusive relationship to another you will learn why you continue to enter these same types of relationships If your body is twisted due to bitterness and unforgiveness you will learn how attitude promotes pain If you are haunted by shadows of your past this book may help you understand and deal with your emotions No one is exempt from some type of family transference Emotional effects may go unnoticed by others although they alter our lives and usually require resolution There is a heavily populated audience of esoteric families who are crying out everywhere because they have been hurt If you have experienced abuse Ima s biography may be difficult to read Humor and faith are both excellent coping skills to help deal with the dark side This book contains enough tincture an admixture of humor to help cope with emotions as readers experience the heaviness of this story Laughter is the morphine that will numb your pain until your resolution comes All the Year Round Charles Dickens,1887 The System of Animate Nature J. Education, 1906 The Pilgrimage Ayodele Ajileye, 2020-03-05 Whenever we hear the word Pilgrimage in religious settings the first thing that comes to mind is a trip to the holy land by the name of Jerusalem for Christians or Mecca for Muslims or other such places for other religions Let me say this upfront I m not really interested in religious discussions so you know that I m not about to spend time discussing trips to holy lands True pilgrimage is a journey and whenever we hear the word Journey from a preacher or when it is read in a book we tend to convert it straight away to mean the religious pilgrimage Many have even term it to be what Jesus was talking about when he said that the road is narrow in Matthew 7 13 14 And because we have misinterpreted the journey too many of us children of God go through the journey wrongly This journey has led to the frustration of many and they are still bringing many more people into frustration God can t get it wrong He said His people are destroyed frustrated deceived and duped because they lack knowledge This book reveals what pilgrimage really is and how to go through it in God s way and how to enjoy every step of the journey **The Homiletic review.
