Absolutely enthralling stuff Books Monthly The History of the Remarkable Life of John Sheppard Daniel Defoe, 2019-11-26
In *The History of the Remarkable Life of John Sheppard* Daniel Defoe presents a captivating account of one of London's infamous bravado criminals. Written in a lively prose rich with satirical undertones, this semi-biographical work blurs the lines between fiction and documentary, employing a narrative style that combines detailed first-person accounts with an engaging commentary on 18th-century societal norms. Defoe meticulously chronicles Sheppard's audacious exploits as a thief and escape artist, reflecting the burgeoning fascination with crime and morality in a rapidly modernizing world. Daniel Defoe, a prominent figure of early 18th-century literature, was himself no stranger to controversy, having faced legal troubles for his own writings. His experiences as a journalist and social commentator undoubtedly shaped his portrayal of Sheppard, bridging themes of criminality with the evolving public consciousness of the time. Defoe's output reflects his keen interest in the human condition and the socio-political landscape, making him a fitting chronicler of Sheppard's life. This compelling narrative is highly recommended for readers interested in criminal psychology, social history, and the interplay of morality and vice. Defoe's sharp wit and insightful observations make this work a vital exploration of the human spirit, inviting readers to ponder the nature of freedom and societal constraints. The Detective and the Somnambulist Allan Pinkerton, 1875 Two narratives written by Allan Pinkerton, highly fictionalized accounts ostensibly or loosely based on actual crime cases.

Criminal Reminiscences and Detective Sketches Allan Pinkerton, 1878 **The Lincoln Conspiracy** Brad Meltzer, Josh Mensch, 2020-05-05 Brad Meltzer and Josh Mensch, the bestselling authors of *The First Conspiracy*, which covers the secret plot against George Washington, now turn their attention to a little-known but true story about a failed assassination attempt on the sixteenth president in *The Lincoln Conspiracy*. Everyone knows the story of Abraham Lincoln's assassination in 1865, but few are aware of the original conspiracy to kill him four years earlier in 1861, literally on his way to Washington, D.C. for his first inauguration. The conspirators were part of a white supremacist secret society that didn't want an abolitionist in the White House. They planned an elaborate scheme to assassinate the President-elect in Baltimore as Lincoln's inauguration train passed through en route to the nation's capital. The plot was investigated by famed detective Allan Pinkerton, who infiltrated the group with undercover agents, including Kate Warne, one of the first female private detectives in America. Had the assassination succeeded, there would have been no Lincoln Presidency, and the course of the Civil War and American history would have forever been altered.
