**Reading Assessment Redesigned** Judith A. Langer, 1995 Highlighting the important innovations embodied in the 1992 National Assessment of Educational Progress NAEP Reading Report Card this report provides information on how the NAEP's large scale reading assessment is evolving in response to changing perceptions of reading development and assessment procedures Included in the report is an overview of the theoretical framework underlying the assessment a description of and presentation of reading materials used in the assessment a discussion of students performance on constructed response questions and a presentation of example questions Major findings discussed in the report include 1 at grades 4 8 and 12 students average performance was highest on multiple choice questions somewhat lower on short constructed response questions and lowest on extended response questions 2 the advantage of female students over male students in reading achievement was more evident for the short constructed response questions than for multiple choice questions and the most evident for extended response questions and 3 when demonstrating comprehension of texts that they

had selected from a compendium of seven short stories eighth and twelfth graders demonstrated relative success in answering the constructed response questions Also included in the report are results of students performance in reading for different purposes Finally two special studies conducted in 1992 are highlighted in the report a literary selection task and a comparison of oral and written responses to comprehension questions Contains 31 tables and five figures of data A procedural appendix is attached RS      **Teaching Health Science** Stephen J. Bender,1997 Since the last edition of Teaching Elementary Health Science much has changed in health education This edition contains the most recent information regarding education and health and the National Health Education Standards Part 1 of this text covers health science foundations including the relationship between education and health the meaning of comprehensive school health curricular approaches learning strategies and instructional accountability Part 2 covers content strategies and skills This text is a beneficial tool for elementary and middle school teachers and students of elementary middle school health education
