External Mission The Anc In Exile 1960 199:

External Mission Stephen Ellis, 2022-07-15 External Mission helped me understand better how the phenomenon of Jacob Zuma and his main legacy state capture became possible MAX DU PREEZ After the ANC was banned by the apartheid government in 1960 many of its leaders and members were forced to leave the country During the next three decades it had to operate in exile and underground Yet the real history of this period remains shrouded in mystery Some events such as the Rhodesian campaign of 1967 1968 and the Kabwe conference of 1985 are well known but lesser known are the intense factional struggles within the organisation recurring pro democracy protests and the creation of a security apparatus that inspired widespread fear Some networks within the exiled ANC became heavily involved in corruption even colluding with elements of the apartheid security police and secret services External Mission aims to provide a full account of the ANC s years in exile penetrating the secrecy the organisation erected around itself and testing the myths that emerged from that period It is based on an exceptionally wide range of sources including the ANC s own archives and foreign archives such as those in East Germany where the movement s security personnel were trained Incisive and revealing External Mission is key to understanding South Africa today *The ANC and the Liberation Struggle in South Africa* Thula Simpson, 2018-10-03 The history of the ANC which is the oldest liberation movement on the African continent is one that has generated a great deal of interest amongst historians in recent years Gone are the days when the history of African nationalism could be relegated to the margins of the study of the South African past Instead with the ANC having ascended to the helm of political power a position it has maintained for over twenty years there can be no question that its history occupies an important and permanent place in the history of the nation This volume gathers together some of the most important contributions to the literature on the ANC s role in South Africa s struggle for liberation Besides important themes such as gender ethnicity and healthcare contributions from leading historians also address why the ANC decided to engage in armed struggle what role the South African Communist Party played in making this decision how the ANC External Mission contributed to the upsurge of mass protest in South Africa in the 1970s and 1980s and the ANC s contribution relative to the other components of the liberation struggle in ensuring the eventual demise of the old racial order The chapters in this book were originally published in the South African Historical Journal the Journal of Southern African Studies and African Studies *Red Road to Freedom* Tom Lodge, 2022 Definitive and gripping narrative history of the Communist Party of South Africa *Crises in Authoritarian Regimes* Jörg Baberowski, Martin Wagner, 2022-01-19 Krisen offenbaren die Fragilität der Ordnung und fordern die Macht heraus Wie gehen autoritäre Regime mit ihnen um Welche Stärken und Schwächen zeigen sie in der Krisenbewältigung verglichen mit demokratischen Ordnungen Wie lässt sich ihre Anpassungsfähigkeit und Persistenz erklären Die Beiträge dieses Bandes verbinden die Sichtweisen von Politikwissenschaft Geschichte Literaturwissenschaft Soziologie und Regionalwissenschaften auf gegenwärtige und untergegangene Regime in Afrika Ost und Zentralasien Ost und Westeuropa

und Lateinamerika Die Fallstudien beleuchten die Verdichtung autoritärer Herrschaft in der Krise die meist zwei konträre Ziele verfolgt die Stabilität zu erhalten und die eigene Herrschaft zu erneuern **Insurgency and Counterinsurgency in South Africa** Daniel L. Douek, 2020 Probes the underbelly of early post apartheid South Africa and the destabilization and assassination campaign unleashed as white rule ended External Mission Stephen Ellis, 2013 Nelson Mandela's release from prison in February 1990 came a few days after the removal of the ban on the African National Congress ANC founded a century ago and outlawed in 1960 the ANC had transferred its headquarters abroad and opened what it termed an External Mission For the 30 years following its banning the ANC had fought relentlessly against the apartheid state Finally voted into office in 1994 the ANC today regards its armed struggle as the central plank of its legitimacy This book studies the ANC's period in exile based on a full range of sources in southern Africa and Europe A Decisive Clash? Jackie Grobler, 1988

The South African Communist Party and the ANC in Exile 1960-1990 Stephen Ellis, 1992 **Comrades Against Apartheid** Stephen Ellis, Tsepo Sechaba, 1992 Examines the South African Communist Party and how it took over the leadership of the ANC between 1960 and 1990 during the time when both organisations were banned in South Africa and were forced to establish their headquarters in exile It also concerns Umkhonto we Sizwe the Spear of the Nation the guerilla army set up jointly by both organisations under the overall command of Nelson Mandela North America Indiana U Press

The Diplomacy of Liberation Scott Thomas, 1995-12-31 After the Sharpeville massacre of 1960 precipitated a popular uprising and the subsequent arrest of the ANC's military wing organized opposition to apartheid within South Africa was eliminated For 30 years the ANC led a shadowy existence in exile and its most basic problem was one of survival This book offers an explanation of how the foreign relations of the ANC contributed to its survival and looks at the closely related issue of how the ANC's alliance with the South African Communist Party and the support of the Soviet Union solved the problem of how to continue financing the armed struggle Examining the ANC's diplomacy in action Thomas shows how the liberation movement attained its main diplomatic objectives the mobilization of international support for mandatory sanctions the arms embargo and the diplomatic isolation of South Africa and the translation of international opposition to apartheid into support for the ANC as the sole legitimate representative of South Africa's oppressed people **Basis of unity in the**

ANC during its exile years, 1960-1990 Sandile Edwin Schalk, 1996 *The African National Congress in Exile* Dale Thomas McKinley, 1995 The Evolution of the ANC's Foreign Policy Towards Southern Africa, 1960-1999 Matthew J. Graham, 2011 This thesis explores the evolution of the foreign policy of the African National Congress ANC predominantly towards Southern Africa 1960-1999 It addresses three periods in the ANC's historical trajectory These are the formulation and implementation of the ANC's foreign policy in exile from 1960 until 1990 the search for a new direction during South Africa's transition from apartheid to democracy 1990-1994 and the initial stages of democratic rule under the leadership of the ANC until 1999 In doing so this dissertation charts the important continuities and discontinuities in the formulation and

implementation of the movement's foreign policy from exile to political power. By tying together themes previously treated in isolation, this thesis overcomes important limitations in the literature. In particular, by taking the entire forty-year period as a whole, it develops new insights into not only the historic evolution of the ANC's foreign policy but the very nature of the ANC as a liberation movement and political party. It is an approach that takes on particular significance when the defining events of foreign policy formulation during South Africa's transition, 1990-1994, are taken into account. This thesis argues that the transition period is a pivotal hinge and is informed as much by the trajectory of South Africa's and the ANC's own histories as the changing international world order of the early 1990s. The events and decisions of the transition era had significant effects on the formation of a new foreign policy for South Africa. These under-researched years are crucial to understanding the future shape and direction of South African foreign policy under the ANC-led government after 1994. By establishing historic continuities by emphasising the pivotal moment of the transition and by disaggregating the ANC, this thesis suggests new ways of interpreting the ANC's foreign policy.
