

Love Poems about Eyes

By Maya Anthony

Gaze of Wonder

In your gaze, a universe I see,
Stars align in your eyes so free.
Mysteries deep, like oceans wide,
In your eyes, my heart does confide.

Whispers of love in every glance,
In your eyes, my dreams dance.
Tales untold, in depths so true,
Your eyes speak, in every hue.

With every look, you cast a spell,
In your eyes, my fears dispel.
A gaze so kind, a love so wise,
In your eyes, my soul flies.

Believers but Strangers in the Eye's of God Sharon D. Meadows, 2008-01-11 In a modern world where Christianity is spoken of candidly many profess the faith although their lifestyles contradict their belief They are lukewarm in their actions and prefer to remain spiritually ignorant Blinded by the pleasures of this world they feed the flesh which ultimately corrupts the soul They proclaim perfection is unreachable and God judges the heart but his word says Be perfect therefore as your father in heaven is perfect Matthew 5 48 For out of the heart comes evil thoughts murder adultery sexual immorality theft false testimony slander Matthew 15 19 We have been deceived by the enemy in believing there are no consequences for our sin There are pastors who deny the existence of hell and promote heaven as a place we all will dwell These lies are manipulations of the truth They are for people who need encouragement to continue the road to destruction and for those enjoying a life of mediocrity with no accountability This book is designed for a remnant of people who grieve over believers portraying a different walk than what they talk It exposes hypocrisy condemns the practice of falsehood and reveals the truth which may be the ultimate savior of your soul **Biblical Echo and Allusion in the Poetry of W.B. Yeats** Dwight Hilliard

Purdy, 1994 This book treats the poetics of biblical allusion in the lyric poetry of William Butler Yeats and the ways in which the King James Bible became for Yeats a model for poetry as a communal voice shaping a culture The introduction analyzes the critical history of what Eleanor Cook has termed the poetics of allusion emphasizing the work of the Italian rhetorician Gian Biagio Conte and the American critic and poet John Hollander The major topics considered here are allusions as the intersections of texts as figures of speech and as structural signifiers the centrality of the reader in the study of allusion the quality of allusions their placement and varying degrees of clarity and the centrality of the study of allusion to cultural criticism The first chapter is concerned with the development of the Bible as a model for secular poetry from the late eighteenth century to Yeats surveying Bishop Lowth Blake Coleridge Wordsworth Shelley and Matthew Arnold as well as Yeats's references in his prose works to the Bible as a model for art and the artist and his desire to restore the Bible as sacred text yet write his own Bible Chapters 2 through 5 take up in detail the poetics of biblical allusion and echo in the poems Chapter 2 treats the poetry of the nineties here Yeats usually engages the Bible as an antagonist subverting it for the sake of a Celtic consciousness denying its exclusive claim to spiritual truth But many biblical echoes show Yeats's dependence upon the Bible as a guide to poetic language Chapter 3 concerns the poetry from *In the Seven Worlds* to *The*

Wild Swans at Coole Yeats looks on Scripture with an ironic eye often replacing it with what he calls haughtier texts the parables prayers visions and private revelations that mirror biblical models and make biblical texts into warrants for his own theory of rebirth Chapter 4 is a close reading of biblical intertextuality in seven poems The Second Coming Sailing to Byzantium Meditations in Time of Civil War Nineteen Hundred and Nineteen Prayer for My Son Dialogue of Self and Soul and Vacillation In these major poems Yeats displays his antitheticality as Hazard Adams calls it putting into dramatic tension biblical texts and his own heterodox ideas about birth death and resurrection Chapter 5 examines the poetry after Vacillation where Yeats gives biblical texts often text used before a new sensual gloss but also admits the limits of a high talk derived from scriptural language Chapter 6 places Yeats in the broad context of biblical intertextuality working backward from modernism to Romanticism First the study contrasts Yeats with two of his contemporaries D H Lawrence and T S Eliot for whom the Bible always asserts its religious authority in the Victorian tradition of Arnold Clough Browning and Tennyson The study concludes by comparing Yeats to Wordsworth and Shelley Although Yeats is deeply indebted to them his attitude is distinct from theirs even when rejecting the Bible Wordsworth and Shelley accept a dogmatic view of it while Yeats escapes dogmatism BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Star in the Eye James Shea,2008 With a simplicity of phrasing directness of address and nimble first mindedness the poems in Star in the Eye convey great depth zest and mystery Their brevity is anathema to fragmentation instead playfully and mordantly they honor what will suffice as Stevens says with a calligraphic precision and flair If anyone could cut a diamond with a paintbrush it would be James Shea his work is so marvelous utterly lucent and revivifyingly strange Dean Young

EYE LOVE YOU Charlie Toth,2019-01-29 EYE LOVE YOU examines the human condition as a series of experiences that we all share like love loss friendship relationships children parents family pain rage kindness generosity attention dedication service and hard work The answer to most questions is love We just have to be clever enough to figure out the right questions to ask It is ok to say that we love We are feeling thinking and passionate beings As the author Charlie hopes that when you read EYE LOVE YOU you can access your thoughts recall deep memories and allow yourself to feel again Feel the word pictures that he paints and remember dream feel those of your feelings which may have laid dormant and have not been accessed in a very long time Some people go through life without ever feeling a kiss caress a warm hug or the love of another human being He would like this book to be that warm hug soft caress or deep passionate kiss that one longs for while daydreaming It is ok to laugh cry and everything in between when you read poetry It is your journey Take your time and enjoy

Poems from above the Hill Ashur Etwebi,2011-01-22 Etwebi compactly renders experience in a hauntingly classical way His work is rooted in the landscapes of his country and in inventing forms in his literary traditions that will capture his engagement with his place and culture His poetry is intimate but grand innovative but traditional influenced by Modernist poetry yet populist and accessible His phrasing and syntax are often very unpredictable risk taking experimenting

with neologisms inventing language In his work there is often a strongly elegiac note his irony reminds one of Eliot his imagistic purity reminds one of Pound Yet he has an intimate knowledge of his fellow creatures that brings to mind William Carlos Williams Ashur Etwebi enters the mysterious places of the land and sea through the experiences of the human beings he encounters never engaging in sentimental homage but putting forward a powerful and delicious reverie and a poetic vision
