Eyes That See Ears That Hear Perceiving Jesus In A Postmodern Context:

Eyes that See, Ears that Hear James P. Danaher, 2006 In his book James Danaher successfully shows that a post modern perspective which questions the cultural historical and linguistic presuppositions involved in interpreting the Gospels frees us to hear anew the culturally subversive yet ultimately transformative message of Jesus Good News The author carefully uses postmodern insights to illustrate that what we see in the Gospels is largely a product of how we see and how we see comes from our social constructs not what we interpret to be God s objective revelation Intended for Christians who are looking to understand Jesus in light of a postmodern perspective as well as unchurched people who are interested in Jesus but having difficulty with the way the Gospel is culturally interpreted Paperback Testimonials Seldom have I read such a combination of stellar intelligence simple clarity and a heart understanding of Jesus and the Gospels This book could resolve many people s faith questions and concerns Jim Danaher talks with humility honesty and orthodoxy at the same time which is rare today Richard Rohr This type of text I would use in my Christology or Post Modern classes It s accessible for the college undergraduate while remaining critical and engaging Jay Hammond

Contemplative Prayer James P. Danaher, 2011-09-22 The current popularity of contemplative prayer is not accidental A twenty first century understanding of the human condition has made us suspicious of words and the understanding we craft out of words Theology generally offers us words that purport to give us a more precise and certain understanding of God but the mystic has always known that our relationship to God transcends words and the kind of understanding that words produce The theology of the mystic has always been about understanding our communion with the mystery that is God in order to fall evermore deeply in love with the Divine That is the ultimate purpose of contemplative prayer and the purpose of this book is to offer a philosophy and theology of contemplative prayer in the twenty first century McMaster Journal of Theology and Ministry: Volume 13, 2011-2012 Hughson T. Ong, 2013-02-08 The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors educators and interested lay persons with the fruits of theological biblical and professional studies in an accessible form Published by McMaster Divinity College in Hamilton Ontario it continues the heritage of scholarly inquiry and theological dialogue represented by the College s previous print publications the Theological Bulletin Theodolite and the McMaster Journal of Theology

Jesus after Modernity James P Danaher, 2012-05-31 During the seventeenth and eighteenth centuries modern thinkers came to believe that our notion of truth should be objective certain and precise Mathematics became the model for how truth should be conceptualized and we sought to eliminate ideas that were vague ambiguous or contradictory The teachings of Jesus however are often vague ambiguous and even contradictory Fortunately a twenty first century understanding of the human condition has debunked the modern notion of truth showing it to be truncated at best We are now free to rethink our notion of truth in a way that is compatible with the things that Jesus said and did and equally compatible with what we now know to be our access to truth given the limits of our human condition

This volume sets out to explore these issues in depth and examine what it might mean for us to speak of the truth of the Gospel in a twenty first century context **Jeff Herman's Guide to Book Publishers, Editors & Literary Agents 2007** Jeff Herman, 2006-12 Presents a guide to the names and specialties of American and Canadian publishers editors and literary agents including information on the acquisition process and on choosing literary agents *Jesus after Modernity* James P. Danaher, 2011-04-15 During the seventeenth and eighteenth centuries modern thinkers came to believe that our notion of truth should be objective certain and precise Mathematics became the model for how truth should be conceptualized and we sought to eliminate ideas that were vague ambiguous or contradictory This inevitably led to our belief that the truth of the Gospel must be conceptualized in the same way and much of modern theology saw the defense of the Gospel in these terms as its task The teachings of Jesus however are often vague ambiguous and even contradictory Fortunately a twenty first century understanding of the human condition has debunked the modern notion of truth showing it to be truncated at best Truth at least as we have access to it is very different from what our early modern ancestors imagined This is especially good news since the truth of the Gospel was never compatible with modernity's notion of truth as objective certain and precise Consequently we are now free to rethink our notion of truth in a way that is compatible with the things that Jesus said and did and equally compatible with what we now know to be our access to truth given the limits of our human condition This volume sets out to explore these issues in depth and examine what it might mean for us to speak of the truth of the Gospel in a twenty first century context **Religion Index One**, 2002 *Religious and Theological Abstracts*, 1998 **The Path to See Like Jesus** Dempsey R. Acosta, 2008-01-01 The Path to see like Jesus is a work based upon the Gospel of Mark It presents us different ways of seeing the same realities depending on the point of view of Jesus Disciples Pharisees Scribes Demons blind Men Centurion and the Women followers of Christ This book is a path of spirituality that invites us to see with the eyes of the soul the spiritual eyes We can see the World around us differently *Eyes to See and Ears to Hear: Devotional and Small Group Study Guide* Mary J. Wagner, 2020-04-24 Son of man look with your eyes hear with your ears and think about all I am going to show you For you have been brought here so that I may show it to you Tell the people of Israel everything you see Ezekiel 40 4 NLV God spoke to Ezekiel and still talks to us today if we learn to look with our eyes and hear with our ears what He wants to tell and show us He takes our personal situations and finds ways to get our attention teaching us deeper truths about Himself He wants a more intimate fellowship with us if we are willing to listen and hear His still small voice My hope is this book of short stories and more in depth study at the end of the book will spur your faith in God Jesus spoke to people in parables and He spoke to the disciples about having the eyes to see and the ears to hear in Matthew 13 10 17 Mary J Wagner was raised in Illinois and lived in Arizona for some twenty years before moving to the Springfield Missouri area She is blessed by a wonderful husband and five children including two nephews she and her husband helped raise Mary was beaten broken and burned and is alive to tell her story She is the founder of The Faith Sisters
