Eyes Wide Open Avoiding The Heartbreak Of Emotional Promiscuity:

Eyes Wide Open Gary Chapman, Brienne Murk, 2011-08-16 In our postmodern world we are so driven by our emotions that in living for the moment we've forgotten to guard our most precious treasure our hearts Young people may not realize it but acts that appear innocent such as e mail and instant messages can entangle our emotions and lead the heart to places it should not go Most people *Eyes Online, Eyes on Life* Jan Kern, 2008 Presents advice for teenagers for overcoming an addiction to online activities and finding a more balanced life that includes relationships with friends and family **The Old Fashioned Way** Ginger Kolbaba, Old is New, LLC, 2014-08-15 Contrary to popular opinion being old fashioned doesn't mean you're dull or unromantic In fact a true old fashioned relationship can be more exciting and romantic than anything you've ever experienced So what does it mean to do things The Old Fashioned Way Sure it means opening doors holding out chairs and taking things slow But a true old fashioned romance goes much deeper than that Inspired by the motion picture Old Fashioned this book will show you how to reclaim the lost art of romance by introducing you to romantic love as God intended it for all of us Regardless of your past experiences where you've been or where you are now you can find and create a love that will last a lifetime As you work your way through this 40 day journey of inspiring readings and questions for reflection you'll discover all the unique and amazing benefits of doing things the old fashioned way and be well on your way to creating a love story for the ages Slouching towards Gaytheism W. C. Harris, 2014-04-01 Argues that homophobia will not be eradicated in the United States until religion is ended Slouching towards Gaytheism brings together two intellectual traditions the New Atheism and queer theory and moves beyond them to offer a new voice for gay Americans and atheists alike Examining the continued vehemence of homophobia in cultural and political debate regarding queer equality this unabashed polemic insists that the needs met by religion might be met more safely and less toxically by forms of community that do not harass and malign gay and lesbian Americans or impede collective social progress W C Harris argues that compromises with traditional religion no matter how enlightened or well intentioned will ultimately leave heteronormativity alive and well He explores a range of recent movements such as Dan Savage's It Gets Better project reparative ex gay therapy Christian purity culture and attempts by liberal Christians to reconcile religion with homosexuality and shows how these proposed solutions are either inadequate or positively dangerous According to the author the time has come for gaytheism leaving religion behind in order to preserve queer dignity rights and lives Lively original and serious this book is great fun to read One looks forward to how Professor Harris will skewer the next foe Paul Robinson author of Queer Wars The New Gay Right and Its Critics **Paperdoll** Natalie Lloyd, 2009-05-01 What happens when an ordinary girl finds the extraordinary love of God By a well in Samartha one girl found out when she came face to face with Jesus Today young women may be in a different culture but they have something in common with that girl by the well Sometimes they go looking for love in all the wrong places Just as the Samaritan woman carried an empty jar to the well they carry their empty two

dimensional hearts looking for one person one more award one glowing accolade to fill it up and make it whole True love is waiting at the well In the eyes of the One the woman at the well had infinite worth meaning and purpose and there s a secret waiting for girls who take the time to listen to what Jesus had to say to her that day When an extraordinary girl fills up on the love of an extraordinary God unforgettable things happen **Eyes Wide Open** Tawana Collins, 2025-08-09 Eyes Wide Open The Marriage the Betrayal the Breakthrough By Tawana Collins What does it really mean to see the truth and still choose to stay In Eyes Wide Open Tawana Collins pulls back the curtain on a marriage filled with deception betrayal and heartache With brutal honesty and fierce vulnerability she shares her journey from painful denial to painful awakening revealing how she learned to face the harsh realities of love gone wrong without losing herself This book is more than a story of betrayal it s a powerful testimony of breakthrough It explores what it takes to finally open your eyes confront the truth and begin the hard work of healing and reclaiming your identity Tawana s story is for anyone who has ever questioned their worth doubted their instincts or wondered if there is life beyond the heartbreak Eyes Wide Open invites you to walk alongside her as she transforms pain into power and brokenness into a new beginning It s a story of hope for those ready to stop hiding start healing and live fully awake
