from the publisher *Encountering the Living God in Scripture* William M. IV Wright, Francis Martin, 2019-01-22 This work gives a philosophical and theological account of the belief that Scripture enables people to encounter the life-giving reality of God. The authors examine the biblical foundations for this belief as given in a variety of witnesses from both Testaments and explain the philosophical and theological underpinnings of Christian exegesis. The book sums up and makes accessible the teaching of revered senior scholar and teacher Francis Martin and is aimed squarely at students assuming no advanced training in philosophy or theology. It includes a foreword by Robert Sokolowski.

Deified Vision: Towards an Anagogical Catholicism Philip Krill, 2017-09-29 **DEIFIED VISION TOWARDS AN ANAGOGICAL CATHOLICISM** is an

attempt at activating an anagogical imagination It requires of us that we pray for a share in God's own contemplation of the world that we allow our imaginations to get lifted up into His own that we desire to receive through the illumination of His Holy Spirit a participation in His own love and desire for all He has created One author has called this process acquiring an epistemic participation in the Mind of Christ

Augustine and the Environment John Doody, Kim Paffenroth, Mark Smillie, 2016-09-30 This volume brings into dialogue the ancient wisdom of Augustine of Hippo a bishop of the early Christian Church of the fourth and fifth centuries with contemporary theologians and ethicists on the topic of the environment and humanity's place in and responsibility to it The contributors vary widely in their estimation of how sustained and useful such a dialogue might be from outright dismissal of the church father to extended speculation with him and in his spirit Their conclusions impact our views of God and both human and non human creation Such engagement should influence any future discussion of how Christianity and environmentalism can interact or influence one another

Beyond the Prosaic Stratford Caldecott, 1998 Recent years have seen an unprecedented period of

reform in the public worship of the Catholic Church Controversy over liturgical reform was focused in England by an international conference in 1996 which led to the formation of a Liturgy Forum and the issuing of the Oxford Declaration on Liturgy This book represents all the key elements from that important conference The Catholic Periodical and Literature Index ,2008 *Paperbound Books in Print* ,1991 **The Cumulative Book Index** ,1990 A world list of books in the English language **American Book Publishing Record** ,1984 *The British National Bibliography* Arthur James Wells,2000 *Beyond the Sanctuary* Timothy A. Johnston,2020-07-06 As the source and summit of the Christian life the liturgy draws us into the mysteries of Christ s life and sends us forth to be a sacrament of God s love and mercy in the world Beyond the Sanctuary Essays on Liturgy Life and Discipleship invites the reader to discover the relationship of liturgy to the modern world evangelization spirituality music art and beauty catechesis and social justice *The Primacy of God: The Virtue of Religion in Catholic Theology* R. Jared Staudt,2022-02-08 To contemporary minds the notion of justice toward God is seldom considered and often foreign Far more discussed is how God might either undermine or motivate social justice The Primacy of God by R Jared Staudt offers an important intervention With the aid of St Thomas Aquinas Staudt argues that it is vital for both contemporary society and contemporary Catholic theology to return to the traditional view of God as the one to whom all human and social action must be ordered and to recover the virtue of religion as the virtue which orders all other virtues to God Not only does Staudt helpfully remind readers of the ancient philosophical and biblical notion of worship as a dictate of the natural law he also illuminates the way in which Christian liturgy as an enactment of Christ s high priesthood is the great fulfillment of natural and biblical worship Accordingly Staudt secures religion as essential for the virtue of love This brings Staudt to criticize modern theologians like Karl Barth who claimed that religion is inherently idolatrous as well as Karl Rahner who claimed that love of neighbor is the highest moral act Staudt also considers the question of religious truth in light of the plurality of religions soliciting the assistance of Hans Urs von Balthasar and Joseph Ratzinger as well as the way in which religion relates to the development of culture engaging the great Catholic social historian Christopher Dawson The Primacy of God is a much needed work that ought to set the agenda for Catholic theology in the twenty first century Religion Index Two ,1993 **Forthcoming Books** Rose Army,2002 Handbook of Latin American Studies ,1981 Contains records describing books book chapters articles and conference papers published in the field of Latin American studies Coverage includes relevant books as well as over 800 social science and 550 humanities journals and volumes of conference proceedings Most records include abstracts with evaluations
