Exploring Turkish Cultures Laurence Raw, 2011 *Six Turkish Filmmakers* Laurence Raw, 2017-11-14 A personal odyssey through the work of six leading filmmakers showing how their work profoundly influences the way we think about contemporary Turkey **Adaptation in Visual Culture** Julie Grossman, R. Barton Palmer, 2017-12-06 This book gathers together essays written by leading scholars of adaptation studies to explore the full range of practices and issues currently of concern in the field The chapters demonstrate how content and messaging are shared across an increasing number of platforms whose interrelationships have become as intriguing as they are complex Recognizing that a signature feature of contemporary culture is the convergence of different forms of media the contributors of this book argue that adaptation studies has emerged as a key discipline that unlike traditional literary and art criticism is capable of identifying and analyzing the relations between source texts and adaptations created from them Adaptation scholars have come to understand that these relations not only play out in individual case histories but are also institutional and this collection shows how adaptation plays a key role in the functioning of cinema television art and print media The volume is essential reading for all those interested both in adaptation studies and also in the complex forms of intermediality that define contemporary culture in the 21st century *Historical Dictionary of Turkey* Metin Heper, Duygu Öztürk, Nur Bilge Criss, 2018-05-23 The fourth edition of *Historical Dictionary of Turkey* covers Ottoman Empire and the Republic of Turkey through a time span of more than six centuries It presents the basic characteristics of the two periods and traces the developments from an empire to a state nation from tradition to modernity from a sultanate to a republic and from modest country to a country that is already a regional power and further aspiring becoming a country to be reckoned with This is done through a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Turkey *Teaching Transnational Cinema* Katarzyna Marciniak, Bruce Bennett, 2016-03-10 This collection of essays offers a pioneering analysis of the political and conceptual complexities of teaching transnational cinema in university classrooms around the world In their exploration of a wide range of films from different national and regional contexts contributors reflect on the practical and pedagogical challenges of teaching about immigrant identities transnational encounters foreignness cosmopolitanism and citizenship terrorism border politics legality and race Probing the value of cinema in interdisciplinary academic study and the changing strategies and philosophies of teaching in the university this volume positions itself at the cutting edge of transnational film studies **Cypriot Cinemas** Costas Constandinides, Yiannis Papadakis, 2016-05-19 Cyprus the idyllic island of Aphrodite is better known as a site of conflict and division between Greek Cypriots and Turkish Cypriots rather than for its film production Constandinides and Papadakis work to rectify this dearth of information by discussing the oeuvre of filmmakers

engaging with the island's traumatic legacies anti colonial struggles post colonial instability interethnic conflict external interventions and war Starting with the cinema of the 1960s when the island became a republic the collection focuses on the recent decades of filmmakers exploring issues of conflict memory identity nationalism migration and gender as well as the work of filmmakers who chose to cooperate across the ethnic divide Cypriot Cinemas utilizes a methodology that engages all necessary perspectives for an illuminating critical discussion historical theoretical and comparative Greek Cypriot and Turkish Cypriot films in relation to regional film cultures practices While the volume develops a discussion based on the reading of the political in Cypriot films it also looks at other film cultures and debates such as s exploitation films and transnational cinema
