Christian life because they don't understand their purpose, position or process. These three key ideas are absolutely essential if you want to experience the fullest life possible. Once you understand these basic yet powerful teachings in Scripture, everything can change for your life. This book explores the theme of fruit throughout the Bible in order to help lead you into the most fruitful life possible. God wants to increase your fruitfulness, but it will take some work. Let's get to it! Jason J. Camacho is a preacher and teacher of God's word who seeks to move people towards Jesus. California raised, but Florida based, his highest ambition is to teach, train and transform God's people through the power of Scripture. This book was written in response to a spiritual need that Jason recognized throughout his several years of ministry. Too many believers lack the foundational knowledge to effectively live the Christian life well. His desire was to create a resource that would equip new believers with the basic knowledge that many lack. From Barrenness to Fruitfulness Frank Damazio, 1998. A thought provoking resource to help with self discovery and inner healing during the winter seasons of life, this book draws a parallel between biological barrenness and the barrenness that often occurs in churches and ministries and tells how to counteract it. *Prayers Against Barrenness* Marlene

Miles, 2023-08-20. Barrenness can affect more than having children; it can steal a man's dreams and his whole life. Learn more about it, how to avoid it, and how to pray against it if it lands in your life. Barrenness as it relates to fruit of the body is

addressed in Book 2, *Fruit of the Womb: Prayers Against Barrenness*. **PRINCIPLES OF A FRUITFUL LIFE** STEPHEN IFEKOYA, 2013. *Principles of a Fruitful Life* is a book written in the midst of a revelation to urge every Christian to strive and become fruitful in life. It identifies that fruitfulness is a subject that must be addressed by all and sundry who desire to fulfill purpose. And that the kingdom of God has accomplished so much in other areas of the business of the kingdom, but when we consider individuals' fruitfulness, we are lagging behind. It suggests that more practical programs that will emphasize the principles involved in bearing fruit should be planned so that the vision of God for His kingdom can become a reality. This book presents the following as the principles involved in living a fruitful life: Abiding in the Vine, Cleansing through the Word of God, Understanding the voice of the Master, Walking in God's commandment of love, Walking in what God has ordained for your life. The principles outlined are secrets exposed to bless anyone who strives to be relevant in the program of God for His kingdom. If you have such a godly desire, this is a book you must read. **Stop Trying to Fix Yourself** Eddie

Snipes, 2015-07-16. Everyone has struggles of the flesh. Whether your struggles are life-controlling issues such as substance abuse, uncontrollable habits, or you are longing for more meaning in your life of faith, this book explores the scriptural teachings that guarantee the life lived more abundantly. Jesus said, "The Spirit is willing, but the flesh is weak." Most religious practices, even those under the title of Christianity, are built on a flawed principle. They seek to strengthen the flesh and depend on coping mechanisms and try to force our source of weakness to become our strength. This can only create very limited success and is often a guarantee of failure. God's design is to die to our weakness and grow in the life where the Spirit

is more than willing to empower us to live and thrive in a fruitful life built around acceptance and perfect fellowship with God You can't fix the flesh You can't fix yourself It's God's job to subdue your sinful flesh and empower you to live and thrive in the life of the Spirit God is your strength not your condemner God is your righteousness not your punisher As you learn to walk in the Spirit you'll understand the Bible's statement Now all things are of God Old things have passed away Behold all things are new You were meant to bloom in every circumstance and the Bible says that a joyful and fruitful life is a guarantee This book explores the principles that help you grow in this promise     How To Be Fruitful Apostle Joshua Selman, 2020-12-11 The bible says that the word of God counts your life and look at the magnitude of spiritual inheritance to be given to you and then it starts by building you until you rise to the level in the spirit where no weight of spiritual substance on you can break you then it delivers to you so this is already a word of encouragement so that if nothing is being delivered to you you are not discouraged because you know that it means capacity is being built Many times services like this are not time of receiving things it may be times of building Many of us just want something we can receive and run away with if it is God He gives gift according to his riches there is nothing God gives a man that is small so when God delays before giving you it is because he is waiting for your capacity to retain It is not enough to receive you must sustain an ability to retain because you can lose something that God gives to you The bible says It's full of things that were once given to men and taken back So God is able to take advantage of His word to build me build you and when we are able to get those attributes He then deliver to us inheritance among them that are sanctified Let your word come and bless us oh God in the name of Jesus Read This Book and Be Blessed     *Foundations of Fruitfulness* James R. Mosley, 2017-03-04 Foundations of Fruitfulness is a compilation of messages shared by Pastor James R Mosley with the members of Legacy Christian Center This book is designed to inspire and promote both personal and spiritual growth These messages have been drawn from Jesus teachings and illustrations found in John 15 of the Holy Bible Although this book was written primarily to inspire believers to become more fruitful and productive citizen of the Kingdom of God I also believe that these truths can help give us a fresh perspective on how to deal with everyday life family business and etc You will discover that each chapter of this book is relatively short This is intentional in its design I understand that we all live busy lives and very few people really have the time in their schedule to read a lengthy book So each chapter is short and straight to the point It is my hope that within these few pages you will be inspired and encouraged to become more fruitful and productive in life
