Layzer, 2015-09-18 Answers to environmental issues are not black and white Debates around policy are often among those with fundamentally different values and the way that problems and solutions are defined plays a central role in shaping how those values are translated into policy **The Environmental Case** captures the real world complexity of creating environmental policy and this much anticipated Fourth Edition contains fifteen carefully constructed cases Through her analysis Editor Judith Layzer systematically explores the background players contributing factors and outcomes of each case and gives readers insight into some of the most interesting and controversial issues in U.S. environmental policymaking Breaking the Ice Barry Scott Zellen, 2008-01-01 **Breaking the Ice** is a comparative study of the movement for native land claims and indigenous rights in Alaska and the Western Arctic and the resulting transformation in domestic politics as the indigenous peoples of the North gained an increasingly prominent role in the governance of their homeland This work is based on field research conducted by the author during his nine year residency in the Western Arctic Zellen discusses the major conflicts facing Alaskan Natives from the struggle to regain control over their land claims to the Native alienation from the corporate structure and culture and the resulting resurgence in tribalism He shows that while the forces of modernism and traditionalism continued to clash these conflicts were mediated by the structures of co management corporate development and self government created by the region's comprehensive land claims settlements **Breaking the Ice** gives testimony to the achievements of Alaskan Natives through peaceful negotiation and argues that the age of land claims has transmuted this same tribal force into something else altogether in the North a peaceful force to spawn the emergence of new structures of Aboriginal self governance Alaska Claus M. Naske, Herman E. Slotnick, 2014-10-22 The largest by far of the fifty states Alaska is also the state of greatest mystery and diversity And as Claus M. Naske and Herman E.
