*Sophia Smith and the Beginnings of Smith College* Elizabeth Deering Hanscom, Helen French Greene, 1925 To Myself A Stranger Patricia Dunlavy Valenti, 1999-03-01 When she was forty four years old Rose Hawthorne Lathrop left her comfortable home in New London Connecticut and soon thereafter took an apartment on Manhattan s Lower East Side She ran a newspaper ad inviting indigents dying of cancer to come live with her to be cared for until their death The journey that led this daughter of one of America s most prominent literary figures to that Lower East Side tenement is the subject of this fascinating and far reaching biography by Patricia Dunlavy Valenti Rose was born in 1851 the youngest child of Nathaniel and Sophia Hawthorne As an adult she reflected upon a childhood that made me seem to myself a stranger who had come too late Indeed throughout much of her life Rose found her own sense of identity subsumed by the demands and needs of those closest to her She was overshadowed not only by her famous father but also by her brother Julian who achieved a modest degree of literary fame in his own right and by her sister Una whose fragile health was a constant source of concern to her family In 1871 Rose married George Parsons Lathrop who would become a writer and an editor of her father s works Rose herself had begun to write fiction and poetry at an early age and after the death of their only child in 1881 she saw the publication of much of her work Valenti reads these stories and poems with a biographer s eye and finds them filled with clues pointing to the remarkable transformation that would allow their author to transcend Victorian constraints and claim the kind of life that would realize her singular gifts Particularly illuminating are the works Rose completed during the years in which she was

making a break from her husband whom she left in 1896 After her final separation from her husband Rose who had converted to Roman Catholicism in 1891 devoted the remainder of her life to the work carried on to this day by the order of nuns she founded the Servants of Relief for Incurable Cancer The account of her ministry begun when cancer was thought contagious should establish Rose Hawthorne Lathrop as a visionary in her belief that everyone has a right to die with dignity and as a pioneer in her advocacy of compassionate methods of caring for those near death Valenti s well written and thoroughly researched biography will interest a wide audience from those who would enjoy a lively glimpse of the Hawthorne household to those concerned with the documenting of women s contributions to society     Into the Fire Suzanne Brockmann,2008-07-22 Suspense doesn t burn any brighter and desire doesn t run any deeper than when Suzanne Brockmann takes the helm opens the throttle and takes readers along for a breathless ride as she breaks the thrill barrier again and again With Into the Fire Brockmann lights the fuse on her most explosive story yet Vinh Murphy ex Marine and onetime operative for the elite security firm Troubleshooters Incorporated has been MIA ever since his wife Angelina was caught in a crossfire and killed during what should have been a routine bodyguard assignment Overcome with grief Murphy blames the neo Nazi group known as the Freedom Network for her death Now years later Freedom Network leader Tim Ebersole has been murdered and the FBI suspects Murphy may have pulled the trigger To prevent further bloodshed Murphy s friends at Troubleshooters scramble to find him and convince him to surrender peacefully Murphy himself can t be sure what he did or didn t do during the years he spent mourning and lost in an alcohol induced fog He does know he occasionally sought solace from Hannah Whitfield a former police officer and the very friend who d introduced him to his beloved late wife But Hannah still grappling with the deafness that resulted from an injury sustained while on duty was fighting her own battles For years Hannah had feelings for Murphy and one painful night their suffering brought them together in a way neither expected and both regretted Murphy is ready to rejoin the living As always he finds himself knocking on Hannah s door and as always his longtime friend welcomes him back into her home Yet even as Murphy slowly rebuilds his splintered life he continues to fight his growing feelings for Hannah Then he learns of Ebersole s murder and comes to believe that the Freedom Network has targeted him and Hannah to avenge their leader s death to violence Now Murphy must face the terrifying prospect of losing another woman he loves As the Troubleshooters desperately search for him Murphy races toward a deadly confrontation with the Freedom Network and ultimate choice surrender his life in hopes that Hannah will be spared or risk everything to salvage whatever future they may have together     *Eyes of Sophia* Donna May,Alan Chien,2000 *Eyes of Sophia* is a true love story which confirms the multi dimensional nature of our existence This story shows us that we really do co create our lives in concert with a loving and organizing Divine Presence Sophia which speaks to us through our hearts Too often we are easily intimidated by the authority and advice of the outer world and cease to trust these tender feelings which offer us continual and perfect guidance The magical tapestry of events we experience when reading *Eyes of*

Sophia is given credence by a series of extraordinary photographs and we are blessed with the revelation that indeed we can attain our hearts desires This book is an extraordinary account by two extraordinary people Given the premise that Sophia s world lies hidden and invisible within this one the continual synchronicities abounding in this true story make sense if not serving as proof of its existence Though the account is extremely personal it touches the universal and thus becomes meaningful to anyone reading it It s Donna s loving and enthusiastic eye that reveals it and Alan s charming and rational acceptance that gives it form I marvel that I had the privilege of playing a small part in this unusual drama Alice O Howell Author of *The Web in the Sea* and *The Dove in the Stone* You and Donna have experienced certainly at a feeling state at least one other cognitive band of this total reality and you appear to have some space time cognitive data in the form of your pictures to confirm that something extra ordinary was happening William A Tiller PhD Author of *Science and Human Transformation* written after viewing the photographs September 1995 This is a truly spiritual book in which the presence of divine love allows the experience of human love to flourish It can be read as a romantic story like *Bridges of Madison County* but here the romance is allowed to flourish and lead to a sustained relationship and there is an experience of divine grace as well as human passion Harvey Honig Jungian Analyst Exceptionally written by two brilliant souls one who although already knowing she was on her perfect path still continued to question the symbols along the way while the other s eyes were slowly beginning to focus on truth and authenticity instead of the superfluous Each overlooked the external to follow the twisting winding path that was filled with intent and purpose It is a rarity to find individuals so willing to lovingly examine and absorb the many messages the rest of us ignore as we go about our lives on auto pilot A wonderful refreshing true love story that affirms the closer we get to our own authentic selves the more blissful our joy joy that flourishes in the knowledge that there are no accidents and that cause never was the reason Kimberly Largent Managing Editor *The Health Strategist* Eyes of Sophia is a love story a grand and wondrous love story about the authors and their relationship with Sophia the Spirit in their hearts Further Donna May and Alan Chien have given us a story about synchronicity and destiny and the ability to listen to and the courage to follow our hearts Abundant synchronicities events that on the level of cause and effect are amazing coincidences brought Donna May and Alan together and together and together each time deepening their relationship Included in the synchronicities are a series of intriguing photographs which give credence to the story Eyes of Sophia is a transformational story that teaches the creative use of metaphor in understanding the relevance and significance of coincidences Creatively woven together in the events in this story are spiritual metaphors of the Wizard of Oz the Tree of Life Kabbala and the dynamics of the life force and chakras including the spleen **Viper** Aly Stiles, 2017-09-17 They call me the villain The screw up The rock cliche that broke up the band My nights are whiskey women repeat My days are tabloid headlines I m on a crash course to nowhere Now my best friend s little sister is standing on my doorstep begging for my spare bed and my secrecy But the Hannah staring back at me is far from the little girl I remember She s got ghosts I ve got

demons We both know her big sister s the reason I m sitting at rock bottom Letting Hannah stay is a terrible idea But aren t those my specialty Viper is an emotional friends to lovers rockstar romance that can be read as a standalone     **Tattered Silk** Elaine Barbieri,1991     The Novel Magazine ,1905     **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
