

The background is a religious painting depicting St. Francis of Sales. He is shown from the waist up, kneeling on a green patch of ground, with his hands raised in prayer. He has a halo and is wearing a blue robe with a patterned stole. A large, bright red, irregular shape, resembling a bloodstain, is overlaid on the bottom left of the image, partially covering the saint's figure. In the background, there is a landscape with a small town, a church, and a hill. A text box is in the top left, and the saint's name is at the bottom.

The Korans Teaching Christianity Reference Book William Zec,2016-07-28 If we are in the last days that both the Koran and the Bible speak of then it is more urgent than ever to study the words of God and to follow only His will The path to Hell is paved by ignorance of God's Word and by the influence of corrupt people seeking to twist the scripture to their own ends with deception and misinterpretation Understanding the Koran through scriptures that God gave us throughout time will open the eyes of true Muslims as it did mine to the meaning of the messages given by the Prophet Muhammad The Koran commands you to study the Torah and the Gospel Bible in sura The Table 5:44 to 5:48 The responsibility to study all the Holy teachings are yours Only you can pray for yourself to receive guidance understanding and discernment between truth and lies of those whose sway influence and power over you Only you alone will stand before God at Judgment Day to receive your punishment or reward for your actions and beliefs you will not be able to blame others for your lack of understanding or misperceptions of God's Words because they are before you to read The leaders of the people who love God have a duty to guide the people by the Word Of God and to learn with them the will of God through the study of all scriptures It is God's will that we know Him and follow His teachings We are told by the prophet Hosea 6:6 and Matthew 9:12 to 13 and also in the Koran Sura Winds 51:46 to 60 Therefore seek God With this in mind a man studying the Koran without having a Bible as a reference point to go back to could be compared to a fish with no fins it may be able to move but it will not get far or move very fast This book tries to help you live this Will of God by opening the teachings of the Koran to the Bible
