When Beth finds herself in a jam in the middle of Europe, can Cole rescue the damsel in distress even though he's not actually a prince? And can Cole and Beth find the true meaning of home together? **Finding Balance** Book Seven: Gone but not forgotten. Amy loved everything about her mom: her smile, her smell, her gentle laugh. On the day her mom died, it felt as though the sun went dark. Her dad bought a house with wheels and they started moving, but no matter how many new places they went, the sun never came back out. At least not until Mary showed up and handed Amy a box of Froot Loops. Amy loved Mary from the very first day almost as much as her dad did. Amy began calling Mary Mom shortly after the wedding without a second thought. After all, Mary cared for her, taught her, and loved her all the things that moms do. But when her mom's sister comes to visit, Aunt Anica has plenty of questions. And now Amy does too. Does loving Mary mean Amy doesn't love her real mom? Or is there somehow room for all the love Amy feels in her heart? **Finding Peace** Book Eight: Keeping score is the quickest way to lose. Anica Maggard was born under a lucky star. Her big sister became her very best friend. Her debut novel was an instant bestseller. She lived in the apartment of her dreams at the age of twenty-five. But luck changes, and sometimes it runs out entirely. Cancer steals her sister, and that loss robs Anica of her words. Years later, she still can't even find the desire to search for them. Ethan Trainor coasts through life trading on his boyish grin, cerulean eyes, and ample trust fund to succeed. No one has ever bothered to peel back the facade and discover that Ethan's glorious life didn't begin with a silver spoon. It began with bars on his windows. A boiling rage simmers just below the surface, and when the demons from his past swing back around, that fury threatens to consume him. When fate drags Ethan to Atlanta to confront his past and Anica there to search for her future, can they both find the peace they need to let go? Or will they lose what really matters in the process? **Cry of the**
