Finding Livelihood A Progress Of Work And Leisure:

Finding Livelihood Nancy J. Nordenson, 2019-04-15 What do you want to be when you grow up The answers were our childhood dreams The reality of adulthood is that what we are and do now is what we became *Finding Livelihood* is a book about work for grown ups It s about not just the work we thought we wanted but the work we found and the work that found us It s also about the work we have lost At once a shrewd challenge of Buechner s assertion that the place God calls you to is the place where your deep gladness and the world s deep hunger meet and also a lyrical journey to the place where labor and love meet *Finding Livelihood* explores the tensions between the planned life and the given between desire and need between aspirations and limits Through story collage and juxtaposition *Finding Livelihood* invites you to consider work in its many facets Who gets to decide if our work is good How do we deal with forces and routines that leave us longing for escape How do questions about money and meaning change when you are holding a pink slip in your hand How are we transformed when our current work becomes part of a spiritual journey that encompasses all of life Drawing from thinkers as diverse as St Aquinas Josef Pieper and Simone Weil Nordenson affirms the doctrine of Imago Dei and brings it into the real world of work a world full of brokenness and hope of dead end jobs and live saving interventions of daily bread and transcendent meaning In the midst of it all we find our livelihood

Pondering Everyday Life Robert A. Stebbins, 2020-01-02 This pivot provides a conceptual statement of an approach to understanding the interrelationships of work leisure and chore activities in daily life and how they are managed in practice Drawing on the sociology of everyday life Stebbins puts forward the notion of *Pondering Everyday Life* PEA a thinking process activity in which we routinely understand coordinate organize remember and compare our involvements in work leisure and non work obligations This perspective demonstrates how the interrelation between these three domains helps bring meaning and continuity to everyday life As a micro and meso level conception that takes into account social cultural and historic context Stebbins contemplates how and what PEA can tell us about an individual s view of their own life *Pondering Everyday Life* will be of interest to students and scholars across leisure studies social psychology and the sociology of leisure and work

National gender profile of agriculture and rural livelihoods Food and Agriculture Organization of the United Nations, 2021-10-21 The National Gender Profile for Serbia represents the first comprehensive and structured attempt to collect and analyze available secondary data across all sectors relevant to agriculture and rural livelihoods It provides a profound analysis of gender issues in agriculture food security and rural livelihoods By this the assessment contributes to the existing body of knowledge on rural women s status establishes connections between gender inequalities and agriculture and food security and sustainable development in Serbia and suggests areas for future work to responsible stakeholders and FAO

Learning from Life: Taka (Lanao del Sur) ; site report , 1994 [Learning from Life: Magayon \(Sorsogon\) site report](#) , 1994 [Kosovo gender profile for agriculture and rural livelihoods](#)

Food and Agriculture Organization of the United Nations, 2024-06-28 The Kosovo gender profile for

agriculture and rural livelihoods aims to improve knowledge on gender related issues in agriculture It proposes evidence based recommendations for advancing gender equality and women s economic empowerment in agriculture and rural development including ensuring women s access to digital tools The recommendations seek to inform several strategies and programmes as per the authorities commitments to ensuring that these are informed by gender analysis This gender assessment begins with an overview of gender equality in Kosovo examining the agriculture sector legal framework demographics migration politics education food security nutrition vulnerabilities to climate change health gender based violence and intersectional inequalities affecting vulnerable groups It identifies ways to enhance inclusive agricultural development and the sustainable development of rural communities considering gender roles and differences among diverse women and men in access to productive resources inputs information and participation It proposes evidence based recommendations for gender responsive strategies towards women s empowerment in the agriculture sector rural development and sustainable and transformative agrifood systems and inclusive digital strategies
