Stories is a 25 different stories book No it isn t a work of fiction it is a real life account In these stories you would feel each and every word even though you have not been through it in real life personally These are stories on love on dark aspects of life some break your heart while some are bound to make your day In life there are no set rules no lanes to follow Each person has to be there for himself and fight alone In the end we are all the products of our thoughts which run in thousand different directions What makes us survive is to follow the one we believe the most Choosing to do what you believe in is a freedom one seldom celebrates And to celebrate this rare opportunity all the stories in this book have been written unfiltered and unedited Family stories ,1901 *Sunday stories, ed. by H.
