Finding Church What If There Really Is Something More:

Finding Church Wayne Jacobsen, 2014-10-15 What if the church Jesus is building looks more like wildflowers strewn across an alpine meadow than a walled garden with manicured hedges If like many other people you have questioned whether there is something more to Jesus church than the religious institutions we've inherited after two thousand years you'll want to read Finding Church Here is straight talk from a man who has sought authentic New Testament community for more than fifty years and who has discovered it in the most unlikely places [Simple, Generous, Open](#) Charlotte Gale, 2024-11-06 This captivating narrative tells the remarkable journey of how a bold idea for a new church community deeply rooted in the Anglican tradition blossomed into a vibrant self-sustaining congregation and shop Seven years on it continues to thrive offering resources and inspiration to churches across the UK and beyond Written in an accessible honest and often humorous style Simple Generous Open tackles important themes such as pioneering mission church planting renewal sustainability and inclusion all set against the backdrop of growing concerns about church decline and financial challenges The story of St Clare's offers a hopeful and practical example for churches striving to remain true to their Anglican heritage while adapting to contemporary needs [Leaving the Church to Find God](#) John Fenn, 2007-03 Motivated by a deep hunger for more of God millions of Christians are leaving the traditional church to look for more freedom and fulfillment than the routine of five songs announcements a plea for money and a forty-five minute sermon allow They are looking for open-ended deep worship that flows with the Holy Spirit relatable Bible study and discussion in which they may participate and strong bonds of fellowship outside the four walls of organized church Instead of leaving the church to fall away from God they are leaving the church to find God Leaving the Church to Find God offers scriptural safe and balanced answers tempered by real-life experiences on how to move from a traditional church structure into meetings that allow the Lord to set the agenda and where needs are met John Fenn I was a Christian who felt disconnected from church though I'd been actively involved nearly all my life I was looking for answers to my desire and hunger for God to move freely and came to realize I wasn't alone From all walks of life and across the church spectrum people are searching for something deeper but they don't quite know what This is the story of how I found God moving outside the church structure that I had known loved and been a part of my whole Christian life John and his wife Barbara were born in Kokomo Indiana and began dating as teenagers when they met the Lord and began ministering to their teenage friends They've been in the ministry now for over thirty years serving in various capacities including Campus Pastor Associate Pastor Senior Pastor and advisor to churches and Bible schools all over the world John also worked with Peter Wagner teaching at the Wagner Leadership Institute serving as Canadian National Director and Education Advisor He remains an adjunct instructor of Wagner Leadership Institute of Colorado Springs In early 2002 John and his wife Barb founded The Church Without Walls International of Tulsa a house church network emphasizing Relationship Based Christianity He travels and teaches in all different streams of Christianity
