Finding The Peace God Promises:

Finding the Peace God Promises Ann Spangler, 2014-09-23 If God has promised to give us the peace that passes understanding why do we sometimes feel so anxious What are we so afraid of Are there ways of living that lead to peace Conversely are there ways of thinking and acting that lead to anxiety and a conflicted life How does Jesus embody peace and where did his peace come from *Finding the Peace God Promises* sets our longings for peace beside God's promise to provide it Exploring the stories that shape us the memories that define us and the relationships that connect us bestselling author Ann Spangler looks for ways to help us become more peaceful What can we learn from Scripture from Jewish tradition from the Amish and others about rest simplicity healing and peace The stories she shares and the answers she discovers may surprise you enabling you to experience the transformative peace God wants you to have *Finding Peace* Charles F. Stanley, *Prayers & Promises*, 2021-07-31 **Finding Freedom in God's Promises** Beth Gable Hicks, 2016-06-03 After I wrote my last book *The Importance of Christian Friendships* In Good Times and in Bad I began to think about how many of the attributes of Christian friendships are grounded in faith This is the same faith that leads us to believe in God's promises I don't know if you have ever tried to count how many promises there are in the Bible they are almost impossible to numerate Yet that did not dissuade me I began to turn to the Bible and meditate on some of the more significant promises Then I began to ask myself how my life would be different if I truly believed God's promises What if we all believed God's promises and acted accordingly I am convinced that if we have faith and believe in God's holy nature we can then accept that He is who He says He is It is then just a short step to knowing that He will do what He says He will do and we can trust in His promises God's promises are very precious Not only do they remind us of His personal interest in our lives but they provide us with hope and encouragement I would also contend that accepting His promises turns religion from something that seems restrictive to something that is truly liberating As you will read in the book we can find freedom in God's promises We can find freedom from condemnation freedom from want freedom from fear freedom from hopelessness freedom from grief and freedom from worry just to name a few I hope the reader will find renewed encouragement from this book and new faith in a faithful God **Solace** Shelly Skiver, 2017-07-30 *Solace* is a beautifully written book that explores God's promises of peace in an increasingly distressed world In *Solace* Skiver especially focuses on Haggai a topic she writes about prolifically In fact no other author or Biblical historian has written so extensively on Haggai which Skiver believes is THE go to book to help us understand the times we're living in and what we can do to find His peace while surrounded by tumultuousness Skiver explains her belief that Jesus will return within a few short years of writing *Solace* which was done in 2017 and by a few short years she means less than four Her explanation for this belief is logical and well articulated But even she admits it's not as important to know the exact time of this monumental and glorious occasion as it is to know what to do with ourselves between now and then With not much time left she has some suggestions for believers And our first priority must be to turn

back to Jesus making Him number one in our lives Skiver describes herself as a flawed human being who loves God She is humble and vulnerable telling of a period of time in which she was bitter toward God and wanted little to do with Him She readily admits to having failed Him and almost everyone else at that She is relatable her justification of Jesus imminent return sensible and her encouragement for the church is welcome and refreshing GOD WILL GET YOU THROUGH THIS Edward D. Andrews,2017-11-05
