Finding Hawaii In Search Of Paradise On The Big Island:

Explorer's Guide Hawaii's Big Island: A Great Destination Elizabeth Blish Hughes, 2008-12-15 A complete guide to this increasingly popular Hawaiian paradise known for its simmering volcanoes sugary beaches and exotic landscape As with all Explorer s Great Destinations guides the author provides unbiased critical opinions and candid reviews about lodging food attractions culture and recreation With up to date maps and photos throughout this is an invaluable guide for your next trip

Searching for the Oldest Stars Anna Frebel, 2019-08-27 A leading astronomer takes readers behind the scenes of the thrilling science of stellar archaeology and explains how sections of the night sky are excavated in the hunt for extremely rare 13 billion year old relic stars and how this quest reveals tantalizing new details about the origins and evolution of the cosmos

Finding Hawai'i Sean McGrath, 2013-02-20 There s a fine line between adventure and cultural immersion and there s a multi billion dollar industry sold on this idea Today s Hawaiian tourists spend their days lounging against the backdrop of shimmering oceans and impossibly blue skies They unwind at night in their Polynesian themed hotels eating dinners covered in pineapples and macadamia nuts Afterwards they attend a luau on a back patio illuminated only by citronella tiki torches the expansive darkness engulfing everything else around them This is what we think of as Hawai i but it s illusory it is manufactured Finding Hawai i chronicles the author s seventeen day journey through Hawaii s eponymous island and intricately details the history behind its well known and slightly more obscure places It introduces a beautiful island with a rich and historical culture to those who have never visited and reveals a hidden darker side of the state for those who have Finding Hawai i draws on a variety of sources and juxtaposes early Hawaiian culture and its storied traditions and values with modern day Hawaiian culture under the pretext of a compelling travel narrative Throughout the book you walk with the author through a first person account of luscious landscapes hidden towns and off beat destinations We explore how contemporary Hawaiian society has distinctly evolved into one of acculturation and assimilation but is plagued by homeless destitution and addiction Finding Hawai i examines the unique ability for Hawai i as a state to showcase a fa ade of tradition for visiting tourists while concealing or ignoring its societal ills in favor of increased tourism and revenue It is written to allow us to make that connection while creating and maintaining relationships with the number of people we meet throughout our trip If one thinks of Hawai i as a zoo the experience of the every day visitor begins and ends behind a glass enclosure or a railing Finding Hawai i takes the reader past the barricades and into the den with the lions
