**Words on Cassette, 2002** R R Bowker Publishing,2002      *100 Things I Learned in Heaven* Karen Bauer,2014-11-10

While living in Singapore in 1996 Karen Bauer from Iowa became ill and felt darkness descend upon her family When the illness worsened and many frightening events began to occur she consistently prayed to God and all of heaven for help After she had a traumatic brain injury in 2003 her spiritual vision was opened and she felt as though she was living in a nightmare while being fully awake As a last resort in 2004 she sought help from a spiritual healer and hypnotherapist from Hong Kong named Mabel During her first meeting with her a huge powerful angel appeared From that moment on she was changed forever Hypnotherapy uncovered a near death experience and severe head trauma from her childhood that catapulted her into these spiritual realms at an early age The following years were saturated with many trips to heaven for lessons and healing and numerous angelic visitations She was healed and she discovered her true soul purpose She longed to tell everyone she knew about what she experienced in heaven but fear kept her silent Now almost ten years after her first journey to heaven she feels called to share everything that she learned and experienced with all of mankind In *100 Things I learned in Heaven* Karen shares all of the lessons she learned from God and the angels describes in full detail everything that she felt and saw while ascending to and in heaven and discloses what she learned about the darkness She believes that if everyone knew how much love and help they have in heaven and how all of heaven is just waiting for us to ask for assistance in every situation it would change their lives forever and they would be free to live with increased hope trust power and joy

*The Wellness Trap* Christy Harrison,2023-04-25 AS SEEN ON CBS MORNINGS THE NEW YORK TIMES THE CUT AND MORE SELF MAGAZINE S 1 WELLNESS BOOK OF 2023 A NEXT BIG IDEA CLUB MUST READ BOOK FOR APRIL 2023 A searing critique of modern wellness culture and how it stands in the way of true well being that will change the way you think about your health in all the best ways Casey Gueren It s not a diet it s a lifestyle You ve probably heard this phrase from any number of people in the wellness space But as Christy Harrison reveals in her latest book wellness culture promotes a standard of health that is often both unattainable and deeply harmful Many people with chronic illness understandably feel dismissed or abandoned by the healthcare system and find solace in alternative medicine as Harrison once did Yet the wellness industry promotes practices that often cause even more damage than the conventional approaches they re meant to replace From the lack of pre market safety testing on herbal and dietary supplements to the unfounded claims made by many wellness influencers and functional medicine providers to the social media algorithms driving users down rabbit holes of wellness mis and disinformation it can often feel like no one is looking out for us in the face of the 4 4 trillion global wellness industry *The Wellness Trap* delves into the persistent systemic problems with that industry offering insight into its troubling pattern of cultural appropriation and its destructive views on mental health and shedding light on how a growing distrust of conventional medicine has led ordinary people to turn their backs on science Weaving together history memoir reporting and

practical advice Harrison illuminates the harms of wellness culture while re imagining our society s relationship with well being
