Fire Evangelism Reaching The Lost Through Love And Power:

Fire Evangelism Ché Ahn, 2006 From a popular evangelist and pastor this comprehensive guidebook shows how to share the Gospel with greater love and authority by identifying seven types of evangelism *Fire Evangelism* Ché Ahn, 2000-09-05 It s time to go after the harvest like never before The world is desperate for the truth hope and love that are found in Jesus But how can we share this Good News boldly effectively and supernaturally In this updated edition of *Fire Evangelism* global revivalist Dr Ch Ahn will equip you to step into Spirit led evangelism that overflows with the compassion and power of God You ll learn how to overcome fear share your faith with confidence and partner with the Holy Spirit to reach people from all walks of life Whether you re just beginning to share your faith or already passionate about the lost *Fire Evangelism* will help you to Share the gospel with boldness authenticity and love Hear God s voice in real time outreach Discover your unique evangelistic voice and gifts See lives transformed through signs and wonders Evangelism isn t a formula it s a holy fire Let it ignite your heart as you reach others with the love and power of God **Spirit-Led Evangelism** Ché Ahn, 2008-05 Most Christians know they should share their faith in Jesus Christ with unbelievers but not everyone is on the same footing Some hardly know where to start Others move with confidence but want to explore areas of greater effectiveness In the body of Christ the call to evangelism is clear but the gifting is different Now available in trade paper *Spirit Led Evangelism* helps remove any barriers to answering that call With practical teaching and personal illustrations Ch Ahn explains the priority of evangelism and equips readers to move to higher levels of success With a special emphasis on power evangelism this book helps both hesitant and on fire Christians deepen their skills for following Christ into all the world **God's Opportunity** Athanasios Scott Tonk, 2016-02-05 We human beings have messed up so badly We have atomized the Body of Christ so that only a miracle can heal the wounds of the Body again But God is already acting to heal the Body of His Son as you will see in part 1 of the book This book does not deal in generalities when it comes to Christians It views the Body of Christ as one big family complete with a mother our heavenly Father His Son who is the head of the Body and children kissin cousins aunts uncles and so forth Oh yes we have had our fights but they have all been family fights Now this book issues a challenge to all of the members of the family Appreciate one another s heritage and bring it to the table of the Lord This book is also a call to greater evangelism and mission but it by and large recognizes that the churches are going all out to bring the world to Christ Its Gods Time Its Kingdom Time Its the Fullness of Time Its Gods Opportunity *Faith Reads* David Rainey, 2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian
