five young men are about to change that Sam Pickett never expected to settle in this dried up shell of a town on the western  
edge of the world He s come here to hide from the violence and madness that have shattered his life but what he finds is  
what he least expects There s a spirit that endures in Willow Creek Montana It seems that every inhabitant of this forgotten  
outpost has a story a reason for taking a detour to this place or a reason for staying As the coach of the hapless high school  
basketball team zero wins ninety three losses Sam can t help but be moved by the bravery he witnesses in the everyday lives  
of people including his own young players bearing their sorrows and broken dreams How do they carry on believing in a  
future that seems to be based on the flimsiest of promises Drawing on the strength of the boys on the team sharing the hope  
they display despite insurmountable odds Sam finally begins to see a future worth living Author Stanley Gordon West has  
filled the town of Willow Creek with characters so vividly cast that they become real as relatives and their stories so full of
