First And Second Peter Everymans Bible Commentary Series:

First & Second Peter- Everyman's Bible Commentary Louis Barbieri, 2003-08-01 Designed for lay people the Everyman's Bible Commentary Series deals seriously with biblical texts without being overly technical In First Second Peter Louis Barbieri takes these books passage by passage providing background and scholarly interpretation First Peter is a practical book about the Christian's behavior before God the world and fellow believers Second Peter discusses the characteristics of the believer and warns against false teachers and doctrines that creep into the church *A Popular Survey of the New Testament* Norman L. Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today's believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament Bibliography of Literature on First Peter Casurella, 2019-07-01 The Bibliography of Literature on First Peter gives comprehensive publication details of a categorized list of articles and books concerned with the exposition of the New Testament letter known as 1 Peter The bibliography which primarily presents works of modern scholarship but also includes important works which have appeared throughout the lengthy period of Christian interpretation has been conceived with the needs of a variety of users in mind It provides an extremely valuable reference tool for all those interested in a deeper understanding of this important document of early Christianity and will meet the needs of researchers of all kinds from lay students to the professional scholar Not every work represented in this bibliography will be of equal use to all but judicious selection on the basis of the helpful classification provided will save the researcher much time
