*Mila (Book One)* Eileen Sheehan, 2025-04-22 The land of Doln is a realm of wonders where magic weaves through the air and ancient secrets lie hidden beneath the whispering trees Between the thriving kingdoms of Terrell and Smolic Doln flourishes It is a paradise of glistening rivers towering forests and creatures long thought to exist only in legend But none are more coveted more powerful or more magical than the unicorns For centuries Doln's rulers have upheld a dangerous lie that unicorns are extinct The creature's survival depends on secrecy for their horns hold power beyond imagination It is a power that could heal the gravely wounded prolong life or protect the world from darkness Should the greedy learn that they had not been hunted to extinction they would stop at nothing to claim the unicorns magic for themselves Princess Mila has known the truth since childhood Astra a unicorn with a mane of molten starlight and eyes that gleam with the wisdom of ages has been her beloved friend for as long as she can remember Their bond is unbreakable But when situations threaten to separate her from her unicorns Mila must choose to find a way to continue to protect the creatures she loves or risk defying her father and possibly throwing the kingdom into the shadows of war As darkness looms and ancient powers stir Mila will discover that her fate is intertwined not just with the unicorns but with an evil that will force her to come into her own Perfect for fans of lyrical fantasy deep lore and enchanting friendships Mila is an unforgettable tale of courage magic and the choices that shape a kingdom From Readers Favorite 5 star award by Christian Sia Eileen Sheehan's book reminded me of some of the compelling elements in J K Rowling's Harry Potter series She has combined the awe inspiring magic of the Harry Potter world with the dazzling beauty of the physical landscapes of The Lord of the Rings delighting fans of the genre with exciting imagery and an irresistible world The characterization is stellar and I was particularly intrigued by Mila exploring her inner world and her bond with Astra The impeccable worldbuilding plunges you into a world of magic and mystery At the same time the skillfully crafted premonitions create the suspense that keeps you turning the pages I greatly enjoyed Mila from the exquisite writing to the fully drawn characters and plot propelling conflict and I look forward to the next book in the series From Readers Favorite 5 Star award By K C Finn Author Eileen Sheehan knows how to pack magic into every tiny detail and new surprise of this story that captures the imagination and the heart from the very first page The best way to describe this novel is wide eyed wonder as readers follow Mila with that same expression of enthusiastic discovery She's certainly a courageous heroine you'll root for all the way through Sheehan does a great job with dialogue and close personal narration to let us into Mila's struggles so that we sympathize with her plight but there's also a lot of love laughter and joy It's refreshing to read a fantasy that is so full of happy moments despite the magic and danger occurring and fans of unicorn lore and epic fantasy will find Mila utterly enchanting Some quite powerful themes build subtly and come through very strongly at the end at its heart there is a thoughtful and lyrical story about loyalty legacy and the cost of truth in a magical world Overall I would certainly recommend Mila to fans of brilliantly penned fantasy fiction

**Aisling: In the Land of Wolves** Eileen Sheehan,2023-06-17 oin Aisling as she navigates a world filled with magic love and danger A victim of bullying Aisling is transported to a land and time she knows nothing about But with the help of a community of powerful witches she discovers a strength within herself that she never knew existed As she faces challenges and falls in love Aisling becomes a fearless and self-assured woman Aisling In The Land Of Wolves is the first book in an epic trilogy that will take you on a journey of self-discovery and empowerment Here's what is said by Reader's Favorite about the novel Reviewed by Alma Boucher for Readers Favorite Aisling In The Land of Wolves was complex and exciting Eileen Sheehan intertwined romance and the paranormal I was hooked from the first page It was easy to be part of the world of magic love and danger that was created The story was fast-paced and packed with action With all the twists and turns I never knew what would happen next Some of the events were graphic and violent The suspense kept me on the edge of my seat The role players were well-developed and authentic My favorite character was Aisling She started as a teenager who was bullied and became a fearless and self-assured woman The story was brilliantly written and it exceeded my expectations by far

Reviewed by Stephanie Chapman for Readers Favorite Eileen Sheehan built suspense in several areas with Aisling whose definition of mean girls was equivalent to real high school cliques The first person narration gave a clear view of what went through Aisling s mind with each new challenge I share Aisling s view that her mother s fixation with witchcraft left her vulnerable and neglected The smooth transitions from one event to another were easy to follow and provided a basic timeline The details were vivid especially with the surroundings in the forest I could imagine the lush foliage and walking along the paths winding through the trees The detailed descriptions of the different mythical creatures were fascinating The end of the story left a clear opening for a sequel Magic and character progression make Aisling a great read for fantasy fans Reviewed by K C Finn for Readers Favorite Author Eileen Sheehan really takes her central protagonist on a deeply emotional journey in this novel and it s that intense investment in Aisling s personal growth that will keep readers coming back for more as each action packed chapter challenges her to grow and develop in new and unexpected ways I really appreciated the author s craft when it comes to speech and thought presentation as the up close narrative lets us get a deeper sense of what s going on in Aisling s head and heart as she falls in love discovers her own powers and becomes a newly empowered version of her former self The description of witchcraft and the magical elements of the story were also very cinematically realized and exciting to read about Overall I would definitely recommend Aisling In the Land of Wolves as a promising start to an enthralling fantasy trilogy and I can t wait to see what happens next

writes a follow up to this book If I could give this more than 5 stars I would Definitely a paranormal romance mystery with a bit of thriller thrown in This was such a great book The imagination of this author is astounding This isn't your typical zombie book and I didn't really think it horror but everyone is different As I said this is a different take on zombies but it's also a great story Vickie is a doctor who sets up in a new town as their new resident doctor since the old one passed She rents a huge house which she runs her office out of as well as has some boarders turned friends staying with her I don't know what else to say about this book that won't give away spoilers so I'll have to just leave it at that This is a really great book with a strong heroine and two very hot alpha males who both want her Add in some supernatural things like zombies witches and vampires and this book is all you need for a lazy day of reading
