**Murder in the Cards** Paige Sleuth, 2018-07-01 Tiffany Swanson doesn't want to solve murders she just wants to play poker. But when she sees a crime scene through the eyes of one of her opponents she finds herself all in to catch a killer. Tiffany Swanson envisions big pots and big profits on her first day as a professional poker player. What she gets instead is the inside scoop to an unsolved murder. The image of the dead man comes to her in a flash when she bumps into the victim's brother and picks up his memory of the crime scene. He's in Las Vegas with his buddies celebrating his last weekend as a bachelor. Except right now he's doing more begging than celebrating as he tries to convince Tiffany to do some amateur sleuthing and help bring his brother's killer to justice. Tiffany intends to do nothing of the sort. She's not a police detective. She's not a private investigator. She's not even a true crime aficionado. And she's definitely not telepathic or so she's desperately trying to tell herself before she becomes another family black sheep like her kooky Vietnamese aunt Tuna. But all evidence indicates otherwise. And if there's a teeny tiny chance she can help solve this homicide doesn't she have an obligation to try? Hijinks and hilarity ensue when Tiffany reluctantly agrees to take on the case. But she's only got one weekend to figure out whodunit before all the suspects flee town taking their deadly secrets with them. keywords: paranormal cozy mysteries cozy murder mystery series amateur female sleuths whodunit mysteries set in big city USA mystery ebooks for animal lovers animal rescue ebooks contemporary cozy mystery ebooks cozy crime mystery books humorous crime whodunit murder mystery books starring women sleuths kitty mysteries humorous escapist fiction cold case homicide unsolved police investigation ebooks featuring amateur detectives criminal investigations with feline sidekicks cozy mystery series set in Las Vegas animal stories humor and hijinks Sin City fiction starring gumshoe women sleuths murder mystery whodunits women gumshoe detectives who solve crimes pet cozy mysteries quick uplifting mystery reads mysteries with cats female professional poker players novice women sleuths with rescue cats psychic cozies fun telepathic cozies cozy mystery that needs solving charming mystery and thriller books murder mystery ebooks clean mystery series casino mysteries felines in fiction detective books with happy endings series that can be read as stand alones amateur women sleuth detective cozy murder mystery that needs solving closed circle of friends suspects Las Vegas Strip settings feisty family drama dog cozy mysteries Asian American female detective ownvoices mixed race heroine animal cozy mystery fiction featuring cats and dogs metropolitan amateur investigators and female detectives whimsical amateur investigator short reads novice detective series with standalone storylines amateur detective series contemporary murder mystery ebook dog and cat cosy mysteries set in the United States American cosy murder mystery series USA kitty cozies mystery whodunits criminal mystery ebooks cozy murder mysteries featuring cats cozy criminal mysteries cat and animal cozies animal mysteries with big city settings fictional felony homicide investigations gumshoe sleuth ebook humorous ebooks for adult women kit lit mysterious criminal suspects suspicious death killing lighthearted animal cozies mystery books for adult women likable women detectives small
