## Quick Start Dark Romance Thriller:

**Not My Bridegroom** Rachelle Ayala, Blogger and freelance writer Anita Leyva's tech CEO fiancé wants her to shoot a viral wedding planning vlog to promote his AI dating app except he's too disinterested to go wedding shopping with her. He instructs her to hire a stand-in who looks similar to him with the aim of editing the videos. Burnt-out actor Dillon Dole found out the hard way that social media is in and soap operas are out. He runs into his college sweetheart Anita on the night of her engagement to find her crying in the cups alone with her girlfriends. Her newly minted fiancé has no time for her and she's in need of a body double for her bridegroom. Dillon embraces the role of Anita's prospective bridegroom while Anita believes her viral wedding planning vlog will bring her career success as an influencer and jealous attention from her absentee fiancé. But as Anita and Dillon navigate a maze of over-the-top wedding plans trailed by a snarky videographer and an overzealous wedding planner, their make-believe romance starts sparking something that feels unexpectedly real. Can Anita pull off a dream wedding with the right bridegroom and will she stop pretending and discover that the best love story was standing beside her all along.

Now in its 17th year, Guide to Literary Agents is a writer's best resource for finding a literary agent or script agent to represent their work. As the market becomes more glutted while the number of major publishing houses shrinks, writers need someone familiar with the publishing scene to shepherd their manuscript to the right person. To help writers acquire an agent, this book provides names and specialties for more than 700 individual agents around the United States and the world. The book also includes a growing number of UK agents as well as Australian agents and more than 90 pages of original articles on finding the best agent to represent your work and how to seal the deal. From editing your work to crafting a book proposal to making the most of your contract, Guide to Literary Agents will help writers deal with agents every step of the way.
