Renowned for making films that are at once sly domestic satires and heartbreaking social realist dramas British writer director Mike Leigh confronts his viewers with an un romanticized dramatization of modern day society in the hopes of inspiring them to strive for greater self awareness and compassion for others This collection features new interdisciplinary essays that cover all phases of the BAFTA award winner s film career from his early made for television film work to his theatrical releases including *Life is Sweet* 1990 *Naked* 1993 *Secrets* the collaborative process of devising and directing a Mike Leigh film that involves character building world construction plotting improvisations and script writing the process of funding and marketing for these seemingly uncommercial projects and a survey of Leigh s critical reception and the existing writing on his work

*The Visible Poor* Joel Blau,1992 Taking an in depth look at the causes of homelessness in the United States Joel Blau disproves the convenient myths that most homeless are crazy drug addicts or lazy misfits who brought their suffering upon themselves He shows that the current crisis was an inevitable result of economic and political changes in recent decades systematically reviewing the explanations offered by researchers politicians and pundits from the deinstitutionalization of mental patients in the 1960s to the gentrification of urban neighborhoods in the 1970s to the evisceration of federal spending on social welfare in the 1980s Blau argues that current government policies at every level are mired in pointless headcounting and quick fix solutions that only push the homeless out of sight without touching the underlying causes He advocates social reforms ranging from a national standard for welfare benefits a higher minimum wage and establishment of a social sector for non profit affordable housing A powerful contribution to public debate on homelessness *The Visible Poor* must be read by concerned citizens as well as by policy makers and advocates
