Chronicles of the Spanish Civil War Series Tricia Goyer, 2008-02-01 This set includes all three books of the Chronicles of the Spanish Civil War series *A Valley of Betrayal* *A Shadow of Treason* and *A Whisper of Freedom* In *A Valley of Betrayal* Sophie finds herself alone in the war torn Spanish countryside for reasons beyond her control What was once a thriving paradise has become a battleground for fascist soldiers and Spanish patriots It doesn't take long for Sophie to realize just how far from home she really is Caught in the middle of what is quickly becoming a bloody battleground she receives tragic news but remaining in Spain is her only option The route to safety is blocked and fighting surrounds her On her darkest night Sophie takes refuge with a brigade of international compatriots It is among these volunteers through the use of her fiancé's camera and her art that she pledges to make the plight of the Spanish people known around the world In *A Shadow of Treason* Sophie discovers that nothing is as she first imagined When Walt the reporter who helped her over the border shows up again after Guernica is bombed Sophie is given an impossible mission She must leave behind the man she's fallen in love with and return to the person who betrayed her Another layer of the war in Spain is revealed as Sophie is drawn into the international espionage schemes that could turn the tide of the war and help protect the soldiers from the International Brigade she must find a way to get a critical piece of information to Walt in time In *A Whisper of Freedom* battles heat up not only those being waged by the soldiers on both sides fighting for Spain but in the hearts and minds of the men and women who must sacrifice more than their dreams in order to save the lives of their loved ones In this meticulously researched novel brave and idealistic Sophie Philip Jose and Deion realize their only hope for freedom is escaping Spain's borders By continuing the story of this band of volunteers during the Spanish Civil War *A Whisper of Freedom* proves that courage and commitment don't always result in outward victory But there are whispers of hope and freedom that resonate through even the darkest night

Public Record Office, 1927 **Surrender on Demand** Varian Fry, 2019-08-09 Varian Fry a young editor from New York traveled to Marseilles after Germany defeated France in the summer of 1940 As the representative of the Emergency Rescue Committee a private American relief organization he offered aid and advice to refugees who found themselves threatened with extradition to Nazi Germany under Article 19 of the Franco German armistice the Surrender on Demand clause Fry risked his life to rescue those targeted by the Gestapo in the most gigantic man trap in history Working day and night with a few associates in opposition to France's Vichy government and to American authorities his elaborate rescue network managed to spirit more than 1 500 people including prominent European politicians artists writers and scientists to safety by the time Fry was expelled from France after 13 months Surrender on Demand is by turns wildly exciting horrifying and exalting Certainly there has never been another book like it Varian Fry is a good man Through the people he has helped rescue the doctors the painters the writers the sculptors the teachers he has added to the

sum total of the world's happiness an astonishingly good book Russell Maloney The New York Times Surrender on Demand contains enough intrigue and conspiracy enough narrow escapes and shady and flamboyant characters for three or four spy stories But Mr Fry has not written it for excitement He has put down some plain and eloquent facts Orville Prescott The New York Times I have read and heard many accounts of escapes from Europe but none surpasses this restrained and factual narrative in suspense and excitement It tells of many triumphs and some defeats it depicts with vividness and often with humor a large number of interesting and frequently distinguished persons it describes the endless obstacles encountered and the ingenious and constantly changing shifts and devices contrived to overcome them and throughout it makes one feel the undercurrent of potential tragedy which too often became actual New York Herald Tribune Weekly Book Review A novelist would hardly dare pack a novel with so many hair breath escapes Lewis Gannett New York Herald Tribune a brilliant exposé of the work accomplished by Fry in Marseille during the tragic days that followed the French defeat Surrender on Demand is a unique contribution to the underground history of the war Josef Forman Free World There are a larger number of highly exciting and almost unbelievable stories in this deeply moving but often also highly amusing book Friends of light adventure novels will undoubtedly like it And friends of humanity will see much more in it than an adventure story although it deals with forging passports with hiding and escaping from detectives with secret messages hidden in a toothpaste tube and with an underground railroad over a well protected border They will see in it a memorial to the man who made what he modestly calls an experiment in democratic solidarity and also to the women and men who sent him on his dangerous mission Henry B Kranz Saturday Review *Library Journal* Melvil Dewey, Richard Rogers Bowker, L.
