Strommen,1996-08-01 Beginning with a dramatic story of the death of a young adult son this book presents a new paradigm for the grief process An alternative to Kubler Ross this text is structured around five cries of grief the cry of pain the cry of longing the cry for supportive love the cry for understanding and the cry for significance Prayer Book for Widows Kay M. Cozad,2019-07-23 Dear Father As the anniversary of our wedding draws near I pray again that You hold my husband in Your gentle embrace Share with him the endless joy of knowing You Shower him with Your love and grace Remind him if it be Your will of my undying love for him These days are sometimes hard for me as memories of our sweet vows wring my heart and tears flow silently As I walk this earth alone I ask You please for grace Give me courage Lord for in my weakness You are strong I have placed my faith in You O Lord I pray that on the day my journey ends and I come home to You that my beloved be there waiting too Reunite us for all eternity in Your everlasting love Until then I wait in hopeful faith and pray to You Amen This is a prayer book like no other written by a widow for widows The prayers center on the emotions and situations a widow faces It is a powerful resource for grief ministers family members and friends When All the Friends Have Gone Duane Weeks,Catherine Johnson,2016-12-05 This volume is a collection of writings from pioneers who have created aftercare programs The perspectives they offer are wide from the practical how to s in developing a program to the more personal stories that enlighten the reader on the motivation behind those who founded the programs The chapters include information on funeral home based programs as well as those based in schools hospitals and the military Your Healing Journey Through Grief Stanley Cornils,2002-09 This book enables readers to translate knowledge into action Grief is not a disease that needs to be cured but an experience that can be worked through by following a normal natural mourning process which if properly dealt with and completed can result in a resourceful and constructive outcome so that a person can recover from loss and life can go on The loss of a spouse or other special loved one is the most difficult and challenging experience of a person s life and unresolved grief can last a lifetime This book is a tool that can be used to learn how to survive loss Stanley

Cornils believes a person can do more than just survive a loss he believes they can go on to lead a fulfilling life During the course of his studies Stanley Cornils discovered that grieving people go through similar phases and have certain problems in common The shock and numbness that stunned them when they learned of their loved one's death the denial of what happened the dreadful and horrendous suffering during the first few months the inability to accept the loss the loneliness of having to adjust to life without their loved one dealing with anger and guilt the dread that comes with the approach of a holiday season a birthday or anniversary dealing with money matters and trying to get their lives back on a normal track This book will help people understand that what they are experiencing is normal and it's okay to cry and be angry even with God People do not drown because they fall into the water they drown because they do not fight back in an effort to save themselves After many years of performing funeral services and observing the suffering of grieving families Stanley Cornils asked himself Isn't there something more I can do for these people As a result he developed his Grief Recovery Seminars and has presented them for the past twenty years Your Healing Journey Through Grief represents the culmination of
