Getting Unstuck Break Free Of The Plateau Effect:

Getting Unstuck Bob Sullivan, Herbert H. Thompson, 2014 The authors show the different kinds of plateaus that can hold you back and how they can be overcome Using case studies of both success and failure including Derek Jeter Blockbuster and Google they identify how to avoid pitfalls and to incorporate the peak behaviors that place breakthroughs within anyone's grasp If you've ever given more and more to a broken relationship a weight loss regimen or a stalled career only to get less and less in return *Getting Unstuck* will change your life *The Plateau Effect* Bob Sullivan, Hugh Thompson, 2013-05-02 The Plateau Effect is a powerful law of nature that affects everyone Learn to identify plateaus and break through any stagnancy in your life from diet and exercise to work to relationships The Plateau Effect shows how athletes scientists therapists companies and musicians around the world are learning to break through their plateaus to turn off the forces that cause people to get used to things and turn on human potential and happiness in ways that seemed impossible The book identifies three key flattening forces that generate plateaus two principles to guide readers in engineering a plateau's destruction and three actions to take to achieve peak behavior It helps us to stop wasting time on things that are no longer of value and to focus on the things that leverage our time and energy in spectacular ways Anything you want to do better play guitar make friends communicate with your children run a business you can accomplish faster by understanding the plateau effect

Getting Unstuck Hugh Thompson, Bob Sullivan, 2014-04-29 Just try harder Just work harder Just do more But what happens when working harder doesn't seem to be getting you better results You've got to get unstuck In *Getting Unstuck* Bob Sullivan and Hugh Thompson show the different kinds of plateaus that can hold you back and how they can be overcome Using case studies of both success and failure including Derek Jeter Blockbuster and Google they identify how to avoid pitfalls and to incorporate the peak behaviors that place breakthroughs within anyone's grasp If you've ever given more and more to a broken relationship a weight loss regimen or a stalled career only to get less and less in return *Getting Unstuck* will change your life *Unlocked* Pete Etchells, 2024-03-21 A welcome counterpoint to the technopanics that screen time is causing a mental health crisis Bruce Hood A rare mix of trustworthy science practical advice and human stories I'm going to recommend it to all the parents I know and keep it handy for reference next time I see a scary headline about how technology is ruining our lives Timandra Harkness Punctures some of the most pernicious myths about our smartphone and screen dominated lives while offering good advice about how to improve the time we spend with screens a must read New Scientist Most of us spend a significant part of the day in front of a screen Our work and social lives play out through our computers tablets and phones on email social media video conference calls and gaming servers But what is all this screen time doing to our health our sleep and our relationships Professor Pete Etchells studies the way we use screens and how they can affect us In *UNLOCKED* he delves into the real science behind the panic about our alleged device addiction and withering attention spans Armed with the latest research he reveals how little we have to fear and the great deal we have to gain by establishing

a more positive relationship with our screens That begins with asking ourselves some essential questions about how we use them Instead of clamouring for us to ditch our devices before guiltily returning to the same old habits UNLOCKED is a sustainable realistic and vital guide to transforming our connection with technology *Common Sense* ,1920 *You Can Break-Free Fast* Caryl Westmore,2009-06-24 Westmore shows the way to delete negative beliefs jamming one s success system and miraculously escape from the dungeons and dragons of the past with the three step Break Free Fast formula
