Gilgamesh By David Ferry:

Gilgamesh David Ferry,1993-06 Adaptation of English translations of Gilgamesh Includes bibliographical references

Gilgamesh David Ferry,2026-06-23 A new verse rendering of the great epic of ancient Mesopotamia one of the oldest works in Western Literature Ferry makes Gilgamesh available in the kind of energetic and readable translation that Robert Fitzgerald and Richard Lattimore have provided for **The ^A Woman Who Married the Bear** Barbara Alice

Mann,Kaarina Kailo,2023-11-10 Stories of the primordial woman who married a bear appear across the global North from Indigenous North America and Scandinavia to Russia and Korea In *The Woman Who Married the Bear* authors Barbara Alice Mann a scholar of Indigenous American culture and Kaarina Kailo who specializes in the cultures of Northern Europe join forces to examine the Bear Husband stories on their respective continents their common elements and their meanings in the context of matriarchal culture **Resisting Injustice and the Feminist Ethics of Care in the Age of Obama** David A.J.

Richards,2014-02-05 David A J Richards s *Resisting Injustice and The Feminist Ethics of Care in The Age of Obama* Suddenly All The Truth Was Coming Out builds on his and Carol Gilligan s *The Deepening Darkness* to examine the roots of the resistance movements of the 1960s the political psychology behind contemporary conservatism and President Obama s present day appeal as well as the reasons for the reactionary politics against him Richards begins by laying out the basics of the ethics of care and proposing an alternative basis for ethics relationality which is based in convergent findings in infant research neuroscience and evolutionary psychology He critically analyzes patriarchal politics and states that they are rooted in a reactionary psychology that attacks human relationality and ethics From there the book examines the 1960s resistance movements and argues that they were fundamentally oriented around challenging patriarchy Richards asserts that the reactionary politics in America from the 1960s to the present are in service of an American patriarchy threatened by the resistance movements ranging from the 1960s civil rights movements to the present gay rights movement Reactionary politics intend to marginalize and even reverse the ethical achievements accomplished by resistance movements creating in effect a system of patriarchy hiding in democracy Richards consequently argues that Obama s appeal is connected to his challenge to this system of patriarchy and will examine both Obama s appeal and the reactions against him in light of the 2012 presidential election This book positions recent American political development in a broad analysis of the role of patriarchy in human oppression throughout history and argues that a feminist based ethics of care is necessary to form a more humane and inclusive democratic politics *Who Were the Babylonians?* Bill T. Arnold,2004 This is a good question

and one which most of us could offer some vague answer to but the Babylonians were an important and fascinating people who deserve further study Unlike many books of the Babylonians this one is not written for specialists but for the general reader and student *The Origins of Democracy in Tribes, City-States and Nation-States* Ronald M. Glassman,2017-06-19

This four part work describes and analyses democracy and despotism in tribes city states and nation states The theoretical

framework used in this work combines Weberian Aristotelian evolutionary anthropological and feminist theories in a comparative historical context The dual nature of humans as both an animal and a consciously aware being underpins the analysis presented Part One covers tribes It uses anthropological literature to describe the campfire democracy of the African Bushmen the Pygmies and other band societies Its main focus is on the tribal democracy of the Cheyenne Iroquois Huron and other tribes and it pays special attention to the role of women in tribal democracies Part Two describes the city states of Mesopotamia Syria and Canaan Phoenicia and includes a section on the theocracy of the Jews This part focuses on the transition from tribal democracy to city state democracy in the ancient Middle East from the Sumerian city states to the Phoenician Part Three focuses on the origins of democracy and covers Greece Mycenaean Dorian and the Golden Age It presents a detailed description of the tribal democracy of Archaic Greece emphasizing the causal effect of the hoplite phalanx military formation in egalitarianizing Greek tribal society Next it analyses the transition from tribal to city state democracy with the new commercial classes engendering the oligarchic and democratic conflicts described by Plato and Aristotle Part Four describes the Norse tribes as they contacted Rome the rise of kingships the renaissance of the city states and the parliamentary monarchies of the emerging nation states It provides details of the rise of commercial city states in

Renaissance Italy Hanseatic Germany and the Netherlands **Classics and Translation** D. S. Carne-Ross, 2010 D S Carne Ross 1921 2010 was one of the finest critics of classical literature in English translation after Arnold More than four decades of Carne Ross's writings are represented in this volume which includes criticism of both ancient and modern writers in addition to historical critical studies of translation discriminating analyses of translators widely read today and investigations in the relationship between translation criticism and literary creation This book will appeal to a wide audience including classicists specialists in reception and translation studies students of comparative literature and literary readers The Odes of Horace Horace, 1998-10-30 A new bilingual translation of the works of a Roman poet with Latin and English versions on facing pages In Discipline one reads Sweet and proper it is to die for your country But Death would just as soon come after him Who runs away **Leadership at the Crossroads** Joanne B. Ciulla, 2008 Contributors from a wide variety of

fields including management economics political science philosophy sociology history literature and psychology explore the many facets of leadership Topics include ethics and accountability leadership styles the differences between leadership and management the poison spread by toxic leaders inspirational leadership choosing and monitoring leaders leadership development women and minorities in leadership leadership and diplomacy leadership in literature and the arts military leadership and much more Collectively this set showcases traditional and emerging approaches to leadership in both theory and practice and raises new questions brought on by society's new challenges It also suggests solutions for developing and promoting leadership in the corporate world politics and diplomacy religion education nonprofits and the arts Whether identifying qualities that will serve a U S president well or the characteristics of the essential can do supervisor in today's

corporation Leadership at the Crossroads supplies insights and intelligence that will help leaders make the most of the challenges and opportunities before them The Western Humanities Review ,1996 *Literature of the Western World* Brian Wilkie,1997 This survey allows readers to choose among the most important canonical and less familiar books of the Western literary tradition in Europe and the Americas Uses the best translations of foreign language material and when appropriate presents more than one book by each author It provides extensive analytic and explanatory apparatus including detailed historical and biographical notes and introductions to six literary periods Harvard Review ,2006 *Acquainted with the Night* Philip Fried,1997 The mysterious eloquent essence of the night long a favorite subject of artists and writers is the focus of this unique book which couples evocative black and white photos with night inspired poetry from around the world and across the centuries Shot after dark in and around New York and in rural Vermont Ireland Lisbon and other places 80 photos **Timeless Voices, Timeless Themes** Prentice Hall PTR,2000 **The Book Review Digest** ,2005 *The Gay Canon* Robert Drake,1998-11-10 There are countless works of interest to gay men in print right now anthologies novels memoirs and more It is a reflection of progress that there is such an openly recognizable culture Yet how to make sense of the choices offered What do gay men need to read What books have shaped the gay heart mind and soul The Gay Canon gives its readers answers to these questions Not only does it list the one hundred great gay books that have influenced writers and continue to shape the gay imagination it also provides a deeper more comprehensive look at the twenty six most seminal works each of which is followed by a series of useful group discussion questions Reaching all the way back to Gilgamesh and continuing through classics like *Leaves of Grass* *Confessions of a Mask* and *The Wild Boys* as well as more recent books like *Borrowed Time* The Gay Canon consistently avoids impenetrable academic literary criticism in favor of a more popular introduction for general readers and book groups The Gay Canon is a book to give to any young man just coming out a book every gay reading group will want to rely on and most important a book that will enrich and improve the gay story that continues to be written **Civilizations of the Ancient Near East** Jack M. Sasson,1995 Consists of articles organized in eleven parts the ancient Near East in Western thought the environment population social institutions history and culture economy and trade technology and artistic production religion and science language writing and literature visual and performing arts and retrospective essays **New York Times Saturday Book Review Supplement** ,1993-04 Arion ,1999 *Literature* Prentice-Hall, Inc,2002
